JAP PLANES ON WEST COAST; TOKYO REPORTED BOMBED

TOKYO CLAIMS VICTORIES IN FIRST BATTLES

Ministry Says U. S. Deprived
of Naval Superiority
In Pacific.

NICHOLS FIELD HIT

Japanese Say Important Air
Facilities Damaged at
Manila Base.

TOKYO (Official Broad-
casts Picked Up By AP)—Great
initial successes and a
widening scope and increas-
ing tempo of Japan's air, land
and sea war on the Pacific
with the United States and Brit-
ain were reported by the Japa-
nese today.

A navy ministry spokesman de-
clared the Japanese navy already
had landed "blows" which had
changed the old balance of Amer-
ican and Japanese sea power to
such an extent as to nullify Pres-
ident Roosevelt's "high pressure
eastern policy."

The achievements of the Japa-
nese navy, he declared, had "com-
pletely shattered all naval superi-
ority popularized by the United
States naval experts."

Roosevelt's program of en-
circling Japan had been based
upon a miscalculation of Japan's
strength, he added. "The fruit
of this irresponsible estimate has
been to deprive America of the
very foundation—naval superior-
ity—of its hopes of obstructing
and frustrating the natural
growth of the Japanese empire."

The army announced that its
bombers had hammered Nichols
Field, U. S. air base near Manila
in the Philippines in a mass attack
which demolished "important air
facilities."

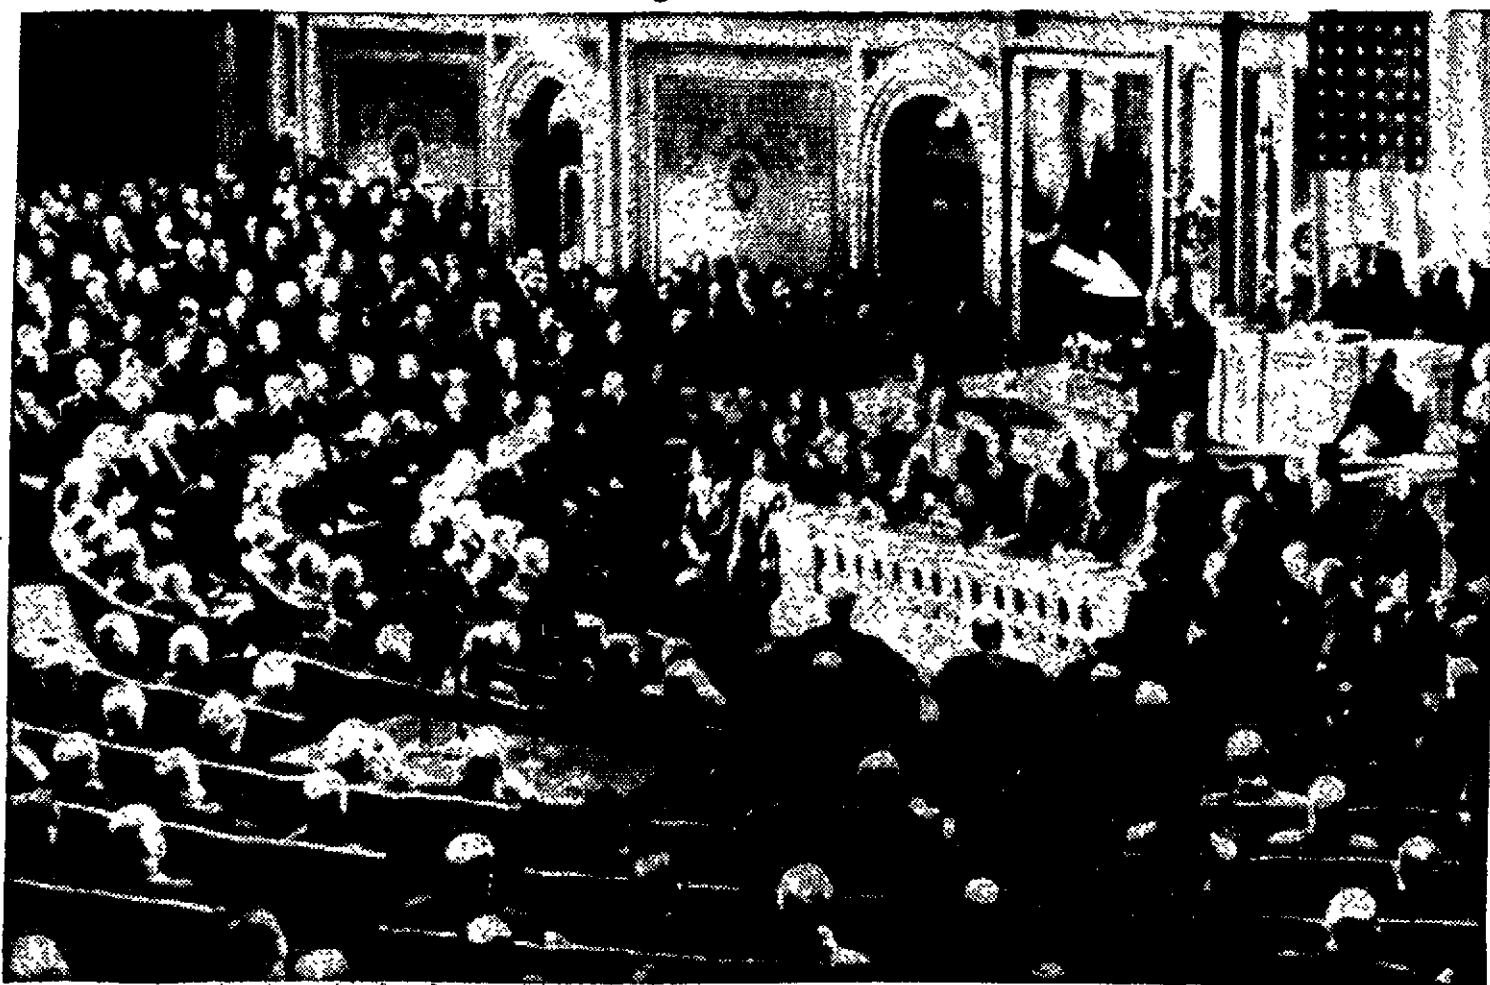

A ring of Japanese warships
which shelled tiny Midway
Island, a United States posses-
sion 1,400 miles west of Hon-
olulu, set hangars and fuel stores
ablaze in a bombardment yes-
terday, said a communique.

(A Tokyo broadcast heard by
CBS declared that Guam and
Wake, two other United States
stepping stones across the Pacific
from Pearl Harbor to Manila,
were now under the Japanese
flag. The broadcast was heard
last night, but there was no sub-
sequent elaboration.)

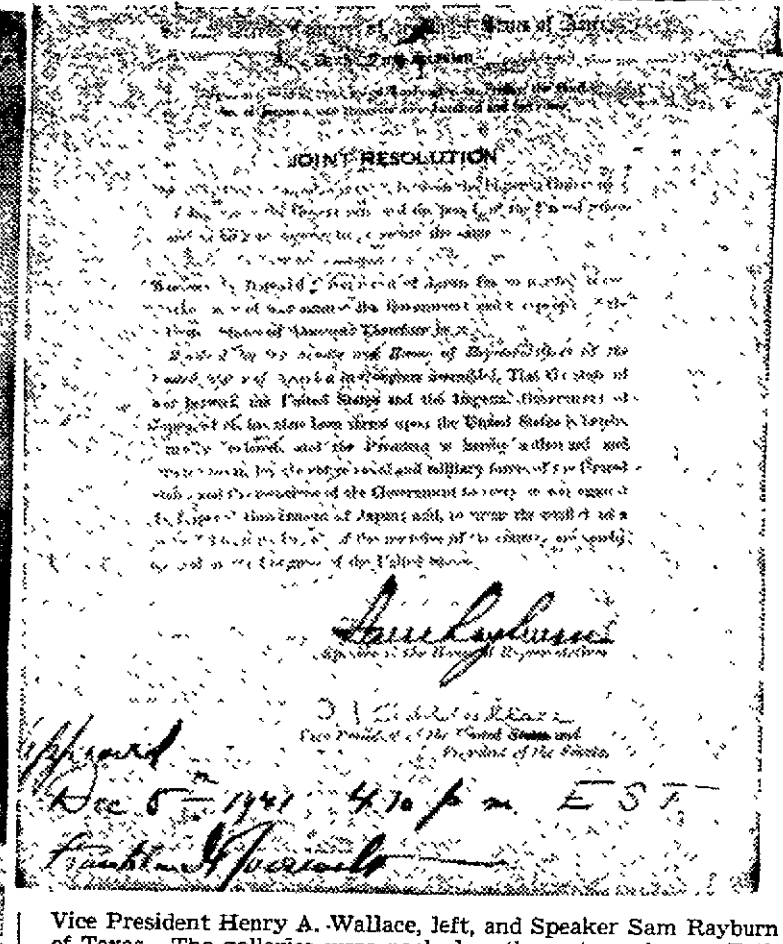

The Japanese said they shot
down nine planes in their attacks
on Wake Island yesterday.

At the same time imperial
headquarters announced that Ja-
pan's air and land forces began

As Roosevelt Won Congressional Declaration Of War

The momentous picture at the top, showing President Roosevelt
addressing a joint session of congress in Washington, was
taken as the commander-in-chief of the armed forces of the
United States asked congress for a declaration of war against
Japan. The president is indicated by arrow. Behind him sits

Vice President Henry A. Wallace, left, and Speaker Sam Rayburn
of Texas. The galleries were packed as the picture shows. Both
the senate and the house acted within the hour, declaring war
on Japan. Lower left, the resolution voted by the joint session
of congress placing the United States at war against the Japanese
empire is signed by President Roosevelt at the White House. The
resolution, pictured at right, carries the signatures of House
Speaker Sam Rayburn, Vice President Henry Wallace and Presi-
dent Roosevelt.

WASHINGTON—(INS)—With
President Roosevelt scheduled

American losses in the Pacific

WASHINGTON—President
Roosevelt will take command of
all radio channels at 10 o'clock,

and the world a blunt appraisal of
the American position in the Pa-
cific following the first 48 hours
of war with Japan.
A "more complete documenta-
tion" of initial reverses sustained
by U. S. land, air and sea forces
in Hawaii, the Philippines and
other public areas was promised
by the White House as Mr. Roose-
velt apparently determined to
give the public painful facts—
short of revealing military infor-
mation to the enemy.

Official Washington, in a
while, was on a 24-hour all-out
schedule to bring about an ulti-
mate and "absolute victory."
Congress, unanimously behind
the commander-in-chief, cleared
decks to jam through money bills
and other legislation needed to
furnish the sinews of war.

The federal bureau of investi-

Japanese warplanes reconnoitering over
the San Francisco Bay area and reports that
other Japanese forces were off the Aleutian
Islands, in the narrow Bering Strait between
Alaska and Siberia, stirred new alarms today
in the three-day-old battle of the Pacific.

Unverified reports of the bombing of
Tokyo, Kobe and the Japanese island of For-
mosa were broadcast by CBS from Manila—the
first such reports of aerial counter-blows
against Japan since the war began.

However, latest word from imperial head-
quarters at Tokyo asserted there had been
no air attack on Japanese territory up to this
morning.

A Tokyo broadcast said Guam and Wake islands,
American-owned stepping stones across the Pacific
from Honolulu to Manila, were now under the Japa-
nese flag.

Russians Gain Ground, Say Nazi Losses Hit 6 Millions

(By Associated Press)
Russian troops have regained ground in below-zero fight-
ing before Moscow, Russians announced today, and esti-
mated total casualties of Adolf Hitler's troops at 6,000,000
men in the first five months of the German-Russian war.
Temperatures as low as 17 degrees below zero were recorded and
Russians commented: "Wait, this is nothing."

A German military spokesman
acknowledged yesterday that bitter
winter conditions had forced a
halt in major operations—in-
cluding the offensive against Mos-
cow—until spring.

Pravda, Communist party or-
gan, said the Germans had been
pressed back with heavy losses in
the Tula area, 100 miles south of
the capital, and reports to London
said the main forces of the Ger-
man retreat from Rostov had mov-
ed even beyond Mariupol, the Sea
of Azov port where they were ex-
pected to take a firm stand.

The report of the retreat, how-
ever, was modified by an acknowl-
edgement that strong German
forces were still at Taganrog, iso-
lated but a potential menace to
Russian communications.
Battered forces of Gen. Erwin
Rommel were reported to be re-
grouping in Libya after with-
drawing westward to a line ex-
tending south from Tobruk
through El Adems and Sir Si
Gobi.
British mechanized forces and
infantry worked on pockets of
Axis resistance along the Libyan
coast in the vicinity of Bardia,
Cairo dispatches reported, and es-
timated 4,000 Italian troops were
trapped. The British already have
claimed 8,000 prisoners from the
drive.

Cigaret Campaign Lags, New Appeal Sounded For City

Because Mansfield's "Smokes
for Yanks" campaign is lagging,
Sam V. Fox, American Legion
commander, today issued an ap-
peal to luncheon clubs, civic and
fraternal organizations to con-
tribute so that all of Mansfield's
1,000 men in military and naval
service will get their promised
Christmas gifts of cigarettes and
candy.

So far only about 100 cartons
have been received in the contain-
ers scattered throughout the city
for the convenience of Mansfield
and Richland county persons wish-
ing to donate one or more pack-
ages.

Cash contributions are just as
acceptable as cigarettes or candy
bars, Earl Saltzgeber, chairman of
the Soldiers-Citizens committee,
said today.

Packing of the gift packages
must be started by next Monday
so that the parcels will reach
their destinations before Christ-
mas.

Meanwhile, a candy drive was
launched in Mansfield's public
schools. Pupils will be asked to
skip one of their own candy
"treats" and give it to the men
in service instead. The plan of
collection is to be worked out
later by committeemen and W. L.
Miller, superintendent of schools.

Meeting, Council Expresses
Annoyance at Methods.

Mayor William J. Locke has
taken initial steps looking toward
safe-guarding of vital municipal

kept secret.

With curtains drawn and a po-

of his office, Locke called council
into "secret" session, last night
and asked it to appropriate "sev-
eral thousand" dollars for the
establishment of a defense plan
which is still to be worked out.

Mayor Locke refused to give

with the reply that the mayor

52 Crowd Into Recruiting

A record-smashing total of 52
applications for enlistment in the
U. S. Navy kept the Mansfield re-

m. yesterday and kept the staff of
two recruiting officers and one as-

county men until after midnight.

Naval Recruiting Officer Wil-

stream of applicants kept the re-
cruiting office on the third floor
Mansfield postoffice filled from 9
a. m. until 10:30 a. m. and that re-
cruiting Officer Charles Scholtz
was called from his home at 12:30

fice for a Loudonville man who
wanted to "sign up" at once.

From the Cleveland main re-

Richland Asked To Raise \$30,000 Red Cross Fund

Richland county chapter of the
Red Cross was to set up machin-

mediate drive for \$30,000 as part
of the campaign for a minimum of
\$50,000,000 launched today by the
American Red Cross to provide
services to the country's armed
forces and for the relief of dis-
tressed civilians.

Orders concerning the cam-
paign were received here this
morning by Milo W. Hieber,
county Red Cross chairman, who
notified the chapter executive
board that plans for the drive
would be taken up at the regular
December board meeting today
at 4 p. m.

The county chapter may retain
15 per cent of its collection for
local war relief expenditures, ac-
cording to word received by Hie-
ber from Norman H. Davis, nation-
al chairman, which, if the full \$30-
000 is raised, would give the chap-
ter \$4,500.

Richland chapter just finished
raising \$19,568.43 through its an-

Jap Planes on Coast; Report Tokyo Bombed

San Francisco Has 3 Air Raid Alarms; Japan Claims Capture of Guam, Wake; Hongkong Invaded.

(Continued From Page 1)

asserted triumphantly that "the great initial success scored by the Japanese air and naval arms" had upset the balance of United States and Japanese powers in the Pacific.

Intimations that Germany was about to declare war on the United States increased as the list of nations who have rallied to the United States side and declared war on Japan mounted to 16—England, Holland, Dutch East Indies, Costa Rica, Canada, Haiti, El Salvador, Honduras, Free France, Dominican Republic, Nicaragua, Guatemala, Australia, New Zealand and Panama.

In addition, Mexico and Colombia have broken off diplomatic relations with Tokyo.

A prediction that Germany would declare war against the United States within a few hours was broadcast by NBC's Stockholm correspondent, who relayed reports that the American embassy staff in Berlin already had been removed from the reich capital.

A Japanese government spokesman was quoted as saying "We naturally expected Germany to declare war upon the United States."

Striking over wide-spread areas, Japanese troops were reported to have landed in the northern part of Borneo, where the British said they had been beaten off, and started an invasion of Hongkong, Britain's second chief bastion of defense in the Orient.

Coincidentally, Japanese land forces were said to have opened an attack on the area of Singapore, Britain's great "Gibraltar of the Far East"—and it appeared that one of the first Japanese aims was to knock out that powerful naval stronghold.

Britain's new 35,000-ton battleship Prince of Wales was recently reported to have arrived at Singapore at the head of a strong squadron of British warships.

Berlin radio quoted a Japanese communique as saying that Japanese troops also were advancing in northern Thailand toward the Burma road, now guarded by United States planes.

An air-raid warning blacked out the entire San Francisco bay area at 2:39 a. m. (5:39 a. b. EST) and simultaneously an army spokesman declared:

"The planes are heading toward shore, and so far as we know, they are still coming." The all-clear was sounded at 3:37 a. m., however, ending the third alarm of the night.

At least two squadrons of enemy planes, numbering 15 to a squadron, had previously crossed the coastline west of San Jose during the night and scouted the entire bay area and other sections of California, it was stated.

No bombs were reported dropped. The army said that in all probability an enemy aircraft carrier was lurking off the coast, perhaps 500 or 600 miles out.

In Victoria, B. C., Mayor Andrew McGavin announced tersely:

"The Japanese are off the Aleutian islands; we expect them here any time. The situation is very serious."

His warning was supplemented by Air Commander A. F. Godfrey with the declaration that "there is every reason to believe there will be an attack in the Pacific northwest."

The daring series of night thrusts—bluntly putting the nation on notice that "it can happen here"—led to immediate conjecture that Japan was attempting to panic the United States into withdrawing its main battle fleet to home waters.

Blackouts were ordered along the entire Pacific coast, from San Diego through Sacramento to British Columbia cities, thus bringing war to the doorstep of millions of Americans and Canadians who two days earlier had believed such a thing was virtually impossible.

The presence of Japanese planes off the Golden Gate—5,200 miles from Japan—created an electric atmosphere in Washington as President Roosevelt prepared his first broadcast since the nation declared war on Japan, scheduled for 10 p. m., EST.

Meanwhile, bulletins on the gigantic new conflict broke in rapid-fire sequence:

1. Berlin vibrated with rumors that the reichstag would meet tomorrow to make known Germany's official stand on the American-Japanese war, possibly to declare war on the United States.

2. Japanese troops were reported to have seized Lubang island, 50 miles off the entrance to Manila bay in the Philippines. The island is of paramount strategic importance, virtually controlling waterways between the middle Philippine archipelago and the China sea.

3. The first Japanese aerial assault on densely-crowded Manila itself was apparently in progress at 7:08 a. m. EST (8:08 p. m., Tuesday, Manila time) as the Manila radio station was heard to repeat over and over again:

"Air raid—air raid—air raid—!"

4. DNB (German news agency) quoted imperial Tokyo headquarters as announcing that Japanese warships had fiercely shelled tiny Midway island, American possession 1,300 miles west of Honolulu. DNB said airplane hangars and fuel depots were set afire.

5. Singapore dispatches reported that British reinforcements were being rushed to northern Malaya as 25 Japanese troop transports attempted new landings in support of forces already engaged in bitter fighting in an attempt to gain control of Kota Bharu airdrome, near the northern terminus of the rail line of Singapore.

6. Japanese troops occupied Bangkok, the capital of little Thailand, which yielded yesterday after a brief-lived "token resistance" to the Japanese invader.

7. The Berlin radio said the Japanese embassy at Bangkok announced that Japanese troops "have thrown back English forces which attempted to enter Thailand from Burma." (The British have denied entering Thailand.)

8. Domei said the Japanese fleet in China waters announced the capture of the 10,509-ton American liner President Harrison and several hundred other vessels along the Chinese coast.

9. Great Britain informed Japan that she will abide strictly by the terms of the Geneva poison gas protocol and asked Japan's assurances that she intends to do the same. This followed British unconfirmed reports that Japanese planes had already dropped poison-gas bombs.

Dispatches from Manila said unofficial casualty estimates listed 200 killed and wounded at Clark field, military airdrome 40 miles north of Manila, and at least 150 others outside the immediate Manila area.

Besides the Japanese seizure of Lubang island, fears were expressed that the invaders might effect a landing on the big island of Mindanao, where 10,000 of the 25,000 Japanese settled in the Davao area were said to be armed and ready to cooperate with an invasion attempt.

The capture of Lubang island was reported carried out with the aid of fifth columnists posing as fishermen.

A new batch of Japanese claims, official and otherwise, reported the U. S. defense base at Guam "taken without resistance," an American seaplane tender sunk off Honolulu, and a bag of 300 U. S. warplanes in the Hawaii-Philippine operations. Domei said these included 30 long-range bombers and 30 fortress planes.

Arena Where United States And Great Britain Lock With Japan

In complete detail, the map above shows the vast arena in which the ABCD powers now are locked in a death struggle with Japan for supremacy in the Pacific ocean and the Far East. From the hills of China's interior eastward to the area between

Hawaii and the American mainland, fighting now rages between land forces, battle fleets and swarms of airplanes. Principal bases of the powers and the distances between them are indicated on the self-explanatory map above.

SOUNDS APPEAL

Chief Says Residents Should Report Un-American Acts.

Mansfield residents were asked today by Police Chief Meade K. Bates to report any un-American activities here to his office immediately.

Bates stated that residents should inform police of any activity by any subversive group, Nazi, Fascist or Japanese.

The police chief also requested that reports be made on the presence of any Japanese persons in this area. He stated that the last Japanese residents had left Mansfield early in September.

"Although there may be no reason for alarm," said Bates, "we feel that it is best to investigate all possibilities."

expected to be increased to some extent when all reports are final. "Full efforts towards raising the quota in the shortest time possible" should be made by the chapter, the national chairman said, adding "we must not and shall not fail in this crisis."

President Roosevelt will support the Red Cross appeal in a formal proclamation, Friday, the county chapter was informed.

Meanwhile plans were being rushed by Miss Lenore Van Gundia, county executive secretary, towards organizing a women's training class for staff assistants.

"No less than 25 women are needed to give volunteer service in the executive office," Miss Van Gundia said, adding that "they can begin their work while taking training."

an attack upon the area of Singapore this morning.

The announcement said that the attack opened at 10:20 a. m. (8:20 p. m. EST Monday) and that many Japanese warplanes sweeping the skies had destroyed many British fighter planes at their Malaya bases.

Two contingents were reported by Domei to have completed occupation of Bangkok, Thailand capital, under terms of the new Japanese-Thailand agreement of protecting that country "against the democracies."

Domei said it was understood most British and Americans in Thailand were now in their legations, and said more than 100 Thai, including 40 police, were killed Monday night in a British attack.

(A Berlin broadcast, heard in London, said the Japanese also had arrived in central Thailand, and from the northern part of the country already were launching an attack to cut the Burma road, presumably by a drive through Burma.)

cautions and inquiries keep streaming in. With Mansfield's interest in the war focused upon the Navy due to the battle of the Pacific, two Mansfielders, both over draft age have volunteered to leave jobs and homes behind to serve in the Navy.

Mansfield photographer, George T. Charlton, wrote to Recruiting Officer Cox: "Gentlemen: Although I am 53 years of age and in business, if I can be of any service to the U. S. A. in any capacity, command me. I am willing to close my shop to serve. Yours for Victory, (signed) George T. Charlton."

Cox said that inasmuch as Charlton was three years over age for the Navy he did not know "just what he could do about the matter."

In a rush of applicants just after war had been declared, Stephen Mikules, 47, Brunswick hotel, walked quietly into the recruiting station and asked to be accepted.

"I heard you were accepting men from 17 to 50 years old," he said. "I don't have a trade, but I could swab decks or peel potatoes... and I never get seasick. If they WANT ME I'm ready," he declared.

Mikules was accepted for examination.

GETS SENTENCE

Man Gets 2 to 21 Years, Plead Guilty in Bus Wreck.

RUSHVILLE, Ind. — (AP) — Paul T. Connell, 39, of near Glenwood, is under sentence of 2 to 21 years on a guilty plea in connection with a Greyhound bus wreck here Nov. 15 in which nine Ohioans were killed.

The bus went over a bank as the driver sought to avoid collision with an automobile driven by Connell.

HIT BY TRAIN

Shiloh Driver Escapes Injury In Accident at Shelby.

SHELBY — Vinson Hoskins of near Shiloh escaped serious injury at 6 p. m. Monday when the car he was driving was hit by a freight train at the East Smiley, avenue crossing of the Baltimore and Ohio railroad.

He was driving his car east over the crossing when it was hit by the train which was coming from the south. The train carried the car a short ways down the railroad tracks.

Icy streets accounted for the accident involving cars driven by Gordon Schwab of Attica and Dean Johnson of Shelby Monday at the east side square. The Schwab car skidded into the Johnson car at the intersection. Both cars were damaged but the drivers escaped injury.

A Shelby District school bus, driven by E. J. Lubbe of near Shiloh side-swiped a car on Mohican street Monday.

MAPS 'SECRET' DEFENSE PLAN FOR MANSFIELD

Mayor Calls Police-Guarded Session, Council Expresses Annoyance at Methods.

(Continued From Page 1)

fect the Maxwell Springs pumping station at Alta and the radio station of the police department in the municipal building.

Bates urged the erection of a high wire fence about the pumping station and the Woodland reservoir and the hiring of armed guards to patrol both places 24 hours a day.

The police chief also asked that the police radio station, at present located on the ground floor of the municipal building, be moved to the third floor to thwart any possible effort to keep headquarters out of touch with police cruisers.

The defense plan would also entail the installation of wire grills on the windows of the police station and the Maxwell pumping station.

Judge G. E. Kalbfleisch, chairman of the civilian defense committee, also spoke but did not urge any immediate or extended program. He said his remarks were made with the hope of having council appropriate funds to aid local committees in recruiting volunteer civilian defense workers.

Kalbfleisch told council that he did not feel there was any immediate emergency but that registration of volunteers is expected to be started soon. Kalbfleisch will meet his committee Friday night and set up plans for the enlistment.

Some council members today expressed annoyance at the elaborate precautions Locke took for preserving secrecy, and M. D. Ward, Jr., city solicitor, who attended said that "there seemed little reason for the meeting." Ward pointed out that Locke had no concrete program to present to council and had no definite idea of how large an appropriation would be needed.

"It is not council's duty to run about doing the groundwork investigation of a defense plan," said Ward. "That is the administration's duty. Although council is willing to provide any defense means possible, it would probably like to have a definite program before appropriating 'several thousands' for an undeveloped program."

Council made no immediate decision at last night's meeting but appointed Councilman Russell D. Porch and C. N. Shultz to investigate the program. They are expected to make a report at a special meeting of council next Tuesday.

Because the mayor refused to give up any information and hung up on the telephone, it could not be learned whether he himself attended the meeting.

Kalbfleisch said today that he will call for volunteer women workers to aid in the clerical work necessary for enlistment of other volunteers. Business houses and industrial plants will be asked to loan typewriters and other office machinery.

Enlistment headquarters will be set up at the Y. M. C. A. or the American Legion home, according to Kalbfleisch. Details will be worked out at the Friday meeting.

Only police and fire volunteers will be enlisted at first, according to the civilian defense chairman. After this group is trained, other specialized fields such as air raid wardens, black-out inspectors and other wartime civilian posts will be filled.

Capt. Glenn L. Bierly of Mansfield's Company F of the State Home Guard, announced that he had received orders from Brigadier-General W. S. Bird to "recruit his company to full strength and to be on alert for possible duty."

Bierly said that the company has 43 men at present and needs an additional seven to bring it up to full strength. Volunteers may apply at the Ashland road armory today at 7:30 p. m. Bierly also announced that home guard members stand ready to aid volunteers wishing to obtain military training without actual enlistment.

Meanwhile, other Ohio cities announced that they were making plans for the protection of any utilities, especially their water supplies, and roundabout light plants. Columbus reported that 80 special police would guard its utilities while Canton announced that its water supply would be protected by \$20,000 worth of fencing.

Military units throughout the state doubled their guards and tightened their supervision of any Japanese population. Unions, calling strikes, went back to work in the face of the new emergency.

Army induction centers were jammed with volunteers. Thousands of men of all ages enlisted in the army, navy and marines, most of them seeking the quickest way to fight the Japanese.

Owners of trucks in the Mansfield area were reminded by the Interstate Commerce commission to return questionnaires sent out by the federal government on Sept. 25 in an effort to get a census of all trucks available for defense needs.

JAPS WHIPPED BEFORE THEY STARTED WAR, YOUNG ASSERTS

By VIRGIL A. STANFIELD

The Japanese who attacked the United States in the Pacific Sunday were a desperate people who were whipped by months of trade boycotting before they started their newest war.

That was the reassuring news brought to Mansfielders last night by James R. Young, noted war correspondent and author who spent 13 years in Japan. He discussed the warfare in the Pacific and the events leading up to Sunday's attack in a talk before nearly 1,000 persons in John Simpson Junior high school auditorium.

He had some disheartening news too, charging that the United States, failing to recognize the Jap threat earlier, had sold oil, gasoline, and other supplies to the Japanese who are using them now to attack Hawaii and the Philippines. It was the "fumbling" defeatists who brought that condition about, he said.

Young's appearance here, planned several months ago by the University club, couldn't have been more timely if the lecture had been scheduled Sunday after the Japs' unprovoked attack on the United States' Pacific possessions.

The near-capacity audience listened attentively for more than an hour and a half as Young predicted that "the Japs will fail because they think they are invincible, and they can't withstand a major conflict."

Relating how he had watched them wage nearly five years of unsuccessful warfare against the Chinese, gradually depleting the Japs' resources, Young branded the Japanese as "cutthroat gangsters and military fanatics who don't have a friend left in the world, not even Germany." That statement brought a cheer from the crowd.

He linked them with the Nazis although he said he did not believe Hitler is directing the present Japanese naval operations in the Pacific.

The use of parachute troops by the Japanese and the nature of the

sudden attack on Hawaii and the Philippines show the Hitler influence, Young said. He pointed out that many Jap war leaders have been trained in Germany and that Nazi leaders have been in Japan recently.

The "boastful" and "political parasites" contributed to our unpreparedness for the attack, Young charged. He said they refused to become excited when American newspaper men told them of the Japanese preparations and intentions and continued to send the Japs needed war materials.

In reply to a question from the audience after his talk, Young named four men high in the state and diplomatic departments who were influential in helping to keep the oil and gasoline shipments going to the Japs long after they started to plan against the United States. The men he named were Dean Acheson, under-secretary of state; Maxwell Hamilton, chief of the Far East division; Joe Ballentine, and Joseph Greene, who are in the state department.

Hitler's withdrawal from Moscow, if it is authentic, may mean that he plans to go southward through the Balkans to India and try a pincer move on the British, or he may direct his campaign through Africa to Dakar, then westward to South America, Young said. He pointed out that

Argentina is the only large South American country that has failed to take a definite stand in the present conflict, and its hesitancy may indicate "there's something funny going on."

The Japanese attack of the past three days on the Hawaiian Islands and Philippines probably are being carried out by planes from Formosa, the Japanese Gibraltar, he asserted. The Japs' next move may be to go into the unprotected East Indies, Borneo, and Java, south of the Philippines, he explained.

He predicted that most of the Italian people were glad to hear of the United States' declaration of war on Japan because it will mean the ultimate freeing of Italy from the Nazi yoke.

"The big news in the present war may come in a few days when we hear of United States planes dropping bombs on the big Japanese cities," he said.

Familiar with the Japs' defenses because of his long residence there, Young said "the island, which has 70,000,000 people in an area the size of Minnesota, is not prepared for an attack from the air."

The people would run in panic if they are attacked at home. They don't know the meaning of invasion. The cities have never had satisfactory air raid maneuvers and there are no dug-outs and little fire protection," he told the audience.

"Some of the Japs are living in hope of a victory over the United States, but Japan, Germany, and Italy are whistling in the dark."

in an international cemetery," he said.

Young said the Nazi statement that Hitler had decided to give up the war on Moscow until next spring was significant.

"The Japs will be scared to death unless that statement is supplemented with something more cheerful for them," he commented.

Japan has had a million men waiting in Manchuria ready to attack Russia through Siberia the minute the news came that Hitler had Russia nearly defeated, but the news has never come, he said. The Japs are afraid to attack Russia until Moscow falls because they fear Russia will come back at them through Siberia, Young explained.

Young was introduced by Frank Hanson, chairman of the University clubs' educational committee.

4 UNIONS END RAVENNA STRIKE

Comply With Request To Resume Work Because Of War.

RAVENNA—(AP)—Four unions striking at the government's \$57,000,000 shell loading plant at Ravenna today had called off the strike because of the war in the Pacific.

Hugh E. Sperry, NLRB regional director in Cleveland, asked the unions to end the strike and they complied with his request.

The unions — AFL-Machinists and Switchmen, and the Independent Arsenal Workers and Brotherhood of Locomotive Firemen and Enginemen—had been striking because of failure of the Atlas Powder company to sign a contract.

MUSIC STUDY CLUB DISCUSSES OPERA

Sponsors of "Barber of Seville" Presentation Agree That Dress Will Be Optional This Evening; Meeting Held at Home of Mrs. Austin.

PLANS for tonight's presentation of Rossini's opera, "The Barber of Seville," by the American Opera company in the Senior high school auditorium, were enthusiastically discussed by members of the Mansfield Music Study club at their meeting last evening at the home of Mrs. John Austin, 286 Rowland avenue. The club is sponsoring the opera for the benefit of its scholarship fund.

Auxiliary Has Business Meet At Legion Home

American Legion auxiliary members held a business meeting Monday evening at the Legion home. Mrs. Marie Castor, president, conducted the session. Mrs. Pearl Hutzelman reported that gifts had been sent to 35 patients at the Dayton Veterans' hospital.

Mrs. Eugene Flory, chairman of the Americanism committee, told the group that flags had been presented to Western school and Senior high school. Plans were made to hold a Christmas party for children of the Legion and auxiliary members on Dec. 21 at 2 p. m. at the Legion home. Mrs. W. L. Beckley will be chairman of the party. A bazaar and sauerkraut supper will be held Dec. 13 at the Legion home. Supper will be served to members and the public starting at 5 p. m. A Christmas exchange will be held at the next meeting of the auxiliary to be held Dec. 22. Mrs. Gertrude Roth will be in charge.

One of the season's outstanding social events, the opera presentation has been arranged by Mrs. George W. Hall, president of the Mansfield Music Study club, Mrs. W. J. Hazeltine, chairman of the scholarship fund committee, and Mrs. Austin, opera committee chairman. Announcement was made by Mrs. Hazeltine that "dress will be optional."

Forty members were present to enjoy a paper, "Central and Lesser Latin Americas" given by Mrs. John Klinger. Mrs. Dean Eckert opened the program with a piano solo which was followed with a vocal selection by Mrs. Hazeltine. Second piano solo was played by Mrs. Fred Cahall. Miss Frances Carter gave current events.

A holiday guest tea will be held in the ballroom of the Mansfield-Leland hotel at 4 o'clock on Sunday afternoon, Dec. 28. A two-piano number will be presented at that time by Mrs. Marie Porterfield and Fred Griessinger.

Fathers Present Child Guidance Club Program

Husbands of Child Guidance club members were guests at the meeting held last evening at the home of Mrs. Bart Haley, 620 Coleman road. Mrs. G. W. Her-ring and Mrs. W. F. Fisher, jr., were associate hostesses. Two of the fathers presented papers for the program: "Fathers and Their Daughters" was given by L. R. McGinty, and Charles Feehaver's subject was "Fathers and Their Sons." Both papers were greatly enjoyed by the 41 members and guests in attendance.

Guest speaker for the evening was Jesse Beer, who presented an inspirational and instructive talk on "The Total Development of Our Children." The fathers were given a vote of thanks for their part on the program. Refreshments were served by the hostesses. On Dec. 13, the club members will give a party for their children at the Y. M. C. A. at 2:30 p. m. Mrs. Henry Albers is chairman of the committee in charge. Next regular meeting will be held on Dec. 22 at the home of Mrs. Albers, Lexington avenue road. Associate will be Mrs. Haley. There will be a gift exchange.

The club has adopted a large family to which gifts will be given for Christmas. Mrs. Robert Cahaven is in charge of investigation of the family.

Sorority Plans To Have Buffet Dinner Friday

Business meeting of Delta Theta Tau sorority was held last evening at the Southern hotel with Miss Helen Widders, president, in charge. Routine business was discussed and plans were completed for the buffet dinner to be given at the Mansfield-Leland hotel Friday evening at 7 o'clock in honor of Miss Grace Fern Heck of Urbana, national president of the organization. There will be a model formal initiation and a model business session, followed by round table discussion.

On Dec. 15, the sorority will have a business and social meeting at the home of Miss Margaret Black, 560 Marion avenue. This will be the Christmas party. Associate hostesses will be the Misses Margaret Hopper and Anne Arron, Mrs. Howard Heston and Mrs. Ward Ingraham. Materials for Red Cross knitting were distributed at last night's meeting.

Colonial Guest House Scene of Dinner Meeting

Madison Ken club members held a dinner meeting and program Monday evening at the Colonial Guest house. Twenty members were in attendance. Dinner was served at an L-shaped table attractively decorated with Christmas appointments, winter greenery and tall lighted tapers.

Following the dinner a short business session was conducted by the president, Mrs. Ruth La Rue. Plans were made to do social service work during the holidays. Miss Edna Dean led the club in group singing of Christmas carols. They were accompanied by Mrs. Leonna Brooker, accordionist. The famous Christmas story, "Why the Chimes Rang," was told by Miss Alice Schwed. Contests were played and prizes won by Mrs. Margaret Yarian and Miss Gladys McDonald. Members held a gift exchange at the close of the evening. Hostesses for this session were Miss Eileen Stout, Miss Evelyn Wiseman, Miss Schwed and Mr. Wayne Miller. The next meeting will be held Jan. 12 at the home of Mrs. James Weber, Ruth avenue.

TO ELECT OFFICERS.

Election of officers will be held at the meeting of the St. Agnes Guild of the Grace Episcopal church Thursday evening at the home of Mrs. J. S. Terman, 387 West Third street. Following the election a gift exchange will be held.

MISS EMILY OESCH WEDS HAROLD WENT

Pastor of First Methodist Church In Winchester, Ind., Performs Ceremony for Couple at His Home at 2:15 P. M. on Oct. 18.

IN A QUIET but impressive ceremony on Oct. 18 in Winchester, Ind., Miss Emily Louise Oesch, 33½ South Mulberry street, became the bride of Harold Went of Shelby. Rev. Boas, pastor of the First Methodist church, solemnized the service in his home at 2:15 p. m. before an improvised altar of fall flowers and single lighted tapers.

For her wedding the bride wore a green velveteen street length frock fashioned princess style and with brown accessories. Her only jewelry was a single strand of pearls. She wore a shoulder corsage of yellow roses and wine and yellow chrysanthemums. Mrs. Went, mother of the bridegroom, attended the couple. She was attended in a powder blue street length frock with navy blue accessories and wore a shoulder corsage of pink roses and white chrysanthemums.

Following a short wedding trip the couple was honored with a reception at the home of the bride's parents. Members of the immediate families and a few close friends were in attendance. Dinner was served at a long table decorated with a three-tiered wedding cake topped with a miniature bride and groom and decorated with yellow roses. For traveling the bride wore a black tailored suit with matching accessories.

The former Miss Oesch is a graduate of Shelby high school and has been employed at the Westinghouse Electric and Manufacturing company. Mr. Went also graduated from Shelby high school and attended the Mansfield Business Training school. He is now employed at the Shelby Salesbook company. The couple is residing temporarily with the bridegroom's parents at 27 Williams court in Shelby.

Party At Park Honors Couple

Mr. and Mrs. Fred Dillon, jr., who were recently married, were honored with a party recently at the Liberty park pavilion by Mr. and Mrs. Harold Foss. Thirty guests were in attendance. Games and dancing were diversions of the evening.

Luncheon was served buffet style from a long table centered with a three-tiered wedding cake topped with a miniature bride and groom and decorated with Christmas decorations and flowers. Blue and white favors were presented to each guest. At the close of the evening the guests presented the honored couple with many gifts.

WATCH HIM PONCE

WHEN someone makes a careless mistake against an alert cardman, it is a delight to watch him pounce upon it, as a tiger would upon his prey. What ought to cost the errant a single trick is likely to mean a difference of two or more tricks in the result before he gets through making the most of it.

Scott Miller, star St. Louis veteran, knew what his experienced partner in the East was up to with that funny-sounding spade bid. Since he didn't make it on his earlier chances, it asked for 3-N. Trumps if the clubs were stopped. They were, but Mr. Miller also had a whale of a heart suit, so properly bid the heart game.

North, who was dazzled by meeting these particular opponents, did as so many neophytes do at such times, when he tried that spade opener to "psyche" them out of a game, which of course didn't work. He still was befuddled later in the play.

When the spade Q lead, taken by K, caused the 10 to drop, North didn't notice it. The second trick was the heart J to the A. South returned the club Q to the K and A, and then North led his spade J. The A took that, setting up the 9, giving two immediate discards of diamonds.

Mr. Miller then ran the rest of the hearts. As the last was played to the eleventh trick, he squeezed South. He had also the club 10 and diamond 9, the dummy showing the diamond A-Q and the club 9, which was discarded. South was cooked. He had to throw the club J, making the 10 good, or his diamond 10, which guarded the K. He did the latter, so the diamond A dropped the K and the Q took the last trick. Thus a hand on which there seemed to be one heart loser, one club loser and two diamond losers produced only two lost tricks.

The current herring catch is so much better than for many years along Swedish coast that old time fishermen believe naval war operations helped drive this fish toward shore.

9920

Grandmother wore them when she was a little girl—they're still adored for their youthful charm. Pinafores! Pattern 9920 by Marian Martin will make you either a pinafore apron or a frock with a pinafore effect. Both the frock and the apron button down the back and tie with a sash; both may have enormous "button-on" pockets. There's a small round collar on the dress; for the apron, the bodice is cut down into an oval neckline and the sleeves and side bodice sections omitted. Both apron and frock may be made in two lengths—one knee-length, the other street-length. You'll find this a fascinating pattern to make with the Sew Chart—use a sprightly checked gingham, make an extra apron as a gift.

Pattern 9920 may be ordered only in misses' sizes 12, 14, 16, 18 and 20. Size 16 requires 5 1/2 yards 35 inch fabric. Send fifteen cents in coins for this Marian Martin pattern. Be sure to write plainly your size, name, address, and style number. Send your order to The Mansfield News-Journal, Pattern Department, 232 W. 18th St., New York, N. Y.

"Pitfalls of Love"

(A Sequel to Marriage Meddlers)
By ADELE GARRISON

"FORGIVE ME, Madge!" Lillian pleaded, patently impressed by her husband's argument. "Of course I know you've had no time to plan this out yet, and it's a marvelous stunt, of course. I just can't get it through my poor head all at once."

"I haven't gotten it all through my own head yet," I told her, "and don't talk about forgiveness. 'But I do want you to be sure of one thing,' I said earnestly. 'No matter what happens, those men at the restaurant shall never guess that Marion sent you any hidden warning. She will be completely out of it.'"

"How 'I'm going to manage that—and some other things—I haven't fully worked out yet, as Harry told you. But manage it somehow, I will, and I have high hopes of being able to glean some clue from the men who will talk to me at the restaurant."

"You'll get it if anybody can," Lillian said warmly, and I sav with relief that she already was tentatively acceding to my scheme. "And of course you'll be a lot better in the situation than I could be, because—because Marion—"

I put my hands over hers and held them firmly. I knew what she was trying to say—that the vision of her idolized daughter, if she went to the restaurant would cloud her judgment.

"Then you're going to consent to my plan?" I asked after a little. "Of course she is," her husband's voice said decisively. "It's a grand scheme. In ordinary circumstances, Lady Fair, I think my wife has the edge on you when it comes to such an emergency."

"But in this particular case, Madge is far better fitted to deal with those men than you are. This thing has beaten you down until

you haven't your usual keenness of perception and ready resourcefulness in action. Tell her, Sweet, that you're glad she's going."

"Oh, I am, I am," Lillian cried. "But Madge, have you thought—what will your father and Dicky say to this scheme?"

"I'm sure of Dicky," I said, with more confidence than I felt. "He'll be at the restaurant, too, of course, in some guise or another."

"We'll have him come down here," Harry Underwood said. "Holloran will fix him up too."

"But my father is an altogether different matter," I went on lugubriously. "You see, just a few minutes ago he exacted a promise from me—on my honor—that I never would disobey him again. He had told me to come upstairs when he and the guards went down to the gangsters in the cellar, and I had disobeyed him."

Harry Underwood shot a shrewd look at me.

"Come clean, Lady Fair!" he said. "Just what did happen?"

I knew that he would give me no

HOROSCOPE

For Wednesday, December 10.

A sudden and perplexing situation, of rather devastating portent, is read from an adverse lunar transit. While this threatens a disruptive, upheaving and shattering effect, causing unwelcome changes and upsets, another figure assures that by luck, discretion, insight, discrimination and well thought out strategies, catastrophe may be averted, hunches, intuition or a flash of genius assisting. Also be clever in litigation, cautious in travel and in all pertaining to writings or agreements.

Those whose birthday it is are likely to encounter an unexpected situation, during the year, which may prove devastating, uprooting and disturbing, involving the personal standing, as well as financial and business integrity. While startling and disintegrating for the moment yet there is also a promise of a quantity of shrewdness of mind, or even a premonition, which may avert calamity and distress. Be keen, discriminating, cautious, with all changes, contacts, agreements, writings.

A child born on this day should be shrewd, discerning in peculiar predicaments. Intuitive, perhaps inspirational, qualities it will find useful in certain disintegrating or upsetting periods in its life.

"D—d good piece of work," he commented, "and I'll bet the Chief was proud of you, even if he did give you a wiggling. But I'm afraid it will have its effect upon this stunt you propose. I don't believe he'll give his consent to it."

Need Spencer's Consent
"And I cannot go without it," I said miserably.

A low groan came from Lillian's lips, and I spoke hesitantly.

"I am afraid, if I broach the project to him, he'll give a negative answer."

"A snap judgment," Harry agreed, "based on your last disobedience to his orders," and then the obstinate old darling won't change his mind. But you have a plan. I can see that. Come clean! What's on your mind?"

"Suppose," I said, "that you and Lillian propose the substitution to him."

This Home Mixed Cough Relief Is Hard To Beat

Very Easy To Make. No Cooking. Saves Big Money.

No matter what you've been using for coughs due to colds, you'll be the first to admit that this surprising relief, mixed in your own kitchen, can't be surpassed, for real results. Make a syrup by stirring 2 cups of granulated sugar and one cup of water a few moments, until dissolved. No cooking is needed—a child could do it.

Then put 2 1/2 ounces of Pinex (obtained from any druggist) into a pint bottle, and add your syrup. This gives you a full pint of really amaz-

ing cough relief—about four times as much for your money. Tastes fine—children love it—and it never spoils. You can feel this home mixture taking tight hold of a cough. It loosens the phlegm, soothes the irritated membranes, and helps clear the air passages. Eases soreness and difficult breathing, and lets you sleep. Once tried, you'll swear by it.

Pinex is a special compound of proven ingredients, in concentrated form, a most reliable soothing agent for throat and bronchial membranes. Just try it, and if not satisfied, your money will be refunded.

CRAWFORD FFA GROUP ELECTS NEW OFFICERS

Richard Griffith, Tiro, Named President at Meeting in Bucyrus.

BUCYRUS—When members of the Crawford county Future Farmers of America met for their first scheduled meeting in the office of County Agent Russell L. Miller, last week, they selected Richard Griffith of Tiro to head the group during 1942.

Other officers named to serve with Griffith were George Neikirk, Mt. Zion, vice president; Luther Shafer, Chatfield, secretary; Elvin Shade, Lykens, treasurer; and Harlan Leimstoll, Holmes-Liberty, reporter.

The group will meet again, Jan. 8.

A survey of Bucyrus public and parochial schools has revealed that 150 Bucyrus children will have little Christmas cheer unless provided for by public agencies.

The children will be included in the Give-A-Christmas program which is now getting underway under the leadership of Mrs. Larry Moore.

Warm clothing will be purchased for the needy children with volunteer workers shopping with mothers of the children for the garments.

The chapel at Camp Shelby, Miss., will be the scene Christmas day of the wedding of Miss Lucille Caton, daughter of Lieut. Col. Russell J. Caton and Mrs. Caton, and Albert Reese, son of Mrs. Donald Frost of Sycamore.

Attendants to the couple will be Miss Caton's brother-in-law and sister, Mr. and Mrs. Garth Oberlander of Stratford, O.

The bride-elect is a graduate of White Cross hospital school of nursing at Columbus, and is now on the staff at Bucyrus City hospital. Mr. Reese is a senior at Washington and Jefferson college, Washington, Pa.

WESTINGHOUSE BUYS PROPERTY

Laundry Real Estate in Area of Plant Holdings Sold; Removal Planned.

The Westinghouse Electric and Manufacturing company today had added the New Method laundry property at 136 Wayne street to its growing holdings in the Westinghouse plant area.

Harold L. Chapman, manager of the laundry, said Westinghouse purchased the 52 by 150 lot from his mother, Mrs. Nora E. Chapman, widow of one of the founders of the laundry.

He said the laundry has acquired a property on Glessner avenue between Sturges and Blymyer avenues and will begin the construction of a new plant there within a few days.

The new building will be ready for occupancy next spring, probably in May, Chapman said. It will be modernistic in design and will be equipped with the latest in laundry equipment. Parking space will be provided near the building. The lot on which the building will be erected was purchased from Myrtle E. Lorentz.

Purchase price of the laundry property on Wayne street was not announced. The laundry has been in operation on the site for the past 40 years.

DECLARES WAR AGAINST JAPAN 'DIRTY JOB WHICH WE MUST DO'

GALION—Now, before we are at war many days, we must make up our minds that no matter how great the pain we have to bear; how hungry we get, and how many of our comforts we must lose, that we shall never become desperate. It is then that "It Can Happen Here."

This was concluding advice given by Lewis Browne, American author who with Sinclair Lewis another of America's foremost writers and Nobel prize winner, debated the question at Senior high school auditorium Monday night.

The speakers appeared here under the auspices of the Quill and Scroll of Galion high school, national honorary scholastic journalism fraternity.

Browne appeared first on the program telling how "It Can Happen Here." Lewis took the negative. Both men conducted short rebuttal speeches.

Browne, who had taught "In universities in Tokyo and Peking, described the Japanese people, he explained that they had learned to imitate the white man; that they had grabbed Korea, and started invasion of the mainland of China as early as 1890 (before Hitler's methods were known); that when the depression came in 1930, a military group became powerful in Japan, with the idea that "might" would bring power, and not to trust the white world.

He said that it is this gang that is now fighting, and not all of Japan.

For some time Japan has been "closed" from the world, not realizing how big the rest of the world is, and has now taken the attitude that she can "lick" the world, Browne said.

COMEDY TO BE PRESENTED AT SHELBY HIGH

'American, Very Early.' Will Be Given By Juniors Thursday, Friday.

SHELBY—A three-act comedy, "American, Very Early," written by Florence Johns and Wilton Lackaye, jr., will be given as the annual junior class play at 8 p. m. Thursday and Friday nights in Shelby high school auditorium.

Seats for the play went on reservation today at Kingboro's drug store here.

The production staff includes Leonard Lusenmayer and Miss Wilkens, co-directors; Bill Emlich, stage manager; and Marijane Bonivare and Betty Randall, prompters.

Minor characters in the play will be portrayed by different students each night while leading roles will remain the same because of the large number of speeches it is necessary for these characters to memorize.

Taking part in the Thursday night production will be Jean Beach, Bob Schiller, Yvonne Brumback, Harriet Young, John Searle, Richard Brown, Lillian Sherman, Harry Crawford, Gerald E. Boyce, Dorothea Jewett, Virginia Dix, Doris Boreman, Elmore Reynolds, Janice Stephan, Paul Robinson, James Hoehler, Virginia Roenau, Edgar Kempf and Bette Armstrong.

JOHN SAUSELEN TAKEN BY DEATH

BUCYRUS—Funeral services will be held Wednesday at 2 p. m. at Henderson and Lutz funeral home for John Edward Sauselen, 30, native of Bucyrus, who died in City hospital here Monday following an illness of five months.

Rev. Henry Blum, pastor of St. John's Evangelical and Reformed church, of which the deceased was a member, will officiate. Burial will be in Oakwood cemetery.

The deceased was born in Bucyrus, March 10, 1911, the son of C. Edward and Pearl M. Ruth Sauselen, both of whom survive. He was married Oct. 12, 1940, to Martha Bakpa, who survives, with two brothers, Carl and Elwood R., of Bucyrus, and one sister, Doris J. Sauselen of Bucyrus.

Mr. Sauselen was an enameler at the Tappan Stove company at Mansfield and he had been making his home in that city. He died at City hospital two hours after being admitted Monday morning.

BUILDING HERE CONTINUES ON UPWARD TREND

Figures Show Valuation For 11 Months \$223,662 Ahead of Last Year.

Building in Mansfield during 1941 showed a sharp upturn with a total of \$1,932,999 for the first 11 months of the year, \$223,662 higher than for the same period in 1940.

Responsible for the increase was a spurt in industrial building which more than quadrupled itself. Returns through November show that a total of \$389,334 was spent in 1941 for building new industrial buildings and quarters for business houses. This represented a gain of \$303,931 over returns in the first 11 months of 1940 which were \$85,403.

Mansfield continued its intense home-building pace, constructing an additional 274 living units. In 1940, home construction was also high with a total of 268 homes being built. Total cost of dwellings put up this year through November was \$1,408,250 or \$31,850 less than in the same period last year.

Remodeling and other small projects in the city accounted for \$135,415 which was \$48,419 lower than for the first 11 months of 1940.

The large gain in the industrial field is accounted for by the expansion program of the Westinghouse company and the building of warehouses by other Mansfield firms. The maintenance of the increased home-building program was due to the demand for better housing conditions for Mansfield workers.

Dear Westinghouse,

Thanks for the cookies. All the guys in my tent enjoyed them very much. Including the sergeant.

The gang wants to know what Westinghouse is doing making cookies. I tell them Westinghouse can make anything, and make it good. That includes cookies. I tell them it also includes airplane parts and tank parts and Navy turbines and gun mounts and a lot more.

So the gang in my tent says thanks for the cookies...and all those other things you're making, too.*

Yours truly,

GEN. JOHNSON: 2 Hurt as Autos Pile Up on Highways

By GEN. HUGH S. JOHNSON

WASHINGTON — About this Chicago Tribune story of the president's request on the secretary of war for an estimate of our military plans and requirements and the joint army-navy "plan" prepared pursuant to this request, there has been a great deal of sound and fury signifying nothing.

The disloyalty, lack of patriotism and political chicanery of the person or persons responsible for giving out this story are astounding. It seems unbelievable that any American, with sufficient standing in the government to have access to these documents, would commit such a silly trick. Mr. Simpson is entirely correct in his condemnation of this act. If its perpetrator has not been revealed by the time this column appears, I sincerely hope that he will soon be discovered and given the works.

However, let's not get too excited about this. There is no military value to the "enemy" in the revelation of this plan. It is merely a fine example of plain horse sense reasoning which does credit to the common sense of our high command and also presents a sterling example of the fact that the so-called "art of war" is, in its essentials, nothing more than just that—plain, ordinary common sense.

The German general staff has, of course, fully explored the American military position and potential. I venture to say that their estimate of our position agrees substantially with our own estimate of our own situation. Not for the purpose of any backslapping or in any spirit of "I-told-you-so." I cannot refrain from calling attention to the fact that this column, on Nov. 17,

made an estimate of our military situation which varies in no essential way from the one published as that of the high command. It merely faced the facts.

After all, any thinking person knows, no matter how much they may regret it, that the announced objective of this country is the ultimate defeat of the Nazis. This means the German army, despite the dissenting views of our air intelligence (according to the Chicago Tribune story), that it might be possible to knock out Germany by concentrated bombing of German key economic centers. It is fundamental that an army may only be destroyed by another army. As I previously pointed out, air power, economic power and fifth column tactics all contribute heavily to ultimate military success, but they cannot alone defeat the enemy's land forces.

When we consider the efficiency, position and size of the German army we must realize the ultimate stupendous character of the task that we have cut out for ourselves. The estimated American high command's plan (if accurately reported) is surprising for its moderation rather than its magnitude. This job of fighting a "war of the continents" as I have said before, approaches the realm of Buck Rogers and Superman.

Of course, these conclusions of the joint board (as reported) did not and could not properly include the question of the fiscal and political possibilities of such a colossal effort, beginning with so slight a preparation of officer personnel and combat experience. Regardless of what may be the opinion of the joint board, with which this writer is not familiar, his own views are that this plan is not practicable within either the fiscal or economic realms.

It must be remembered that there is always an unknown quantity of vast possibilities—an internal German collapse—which might change the whole picture.

U. S. OFFICERS CALLED TO LINE UP WAR BUDGET

Washington Estimates Total Expenditures Between 35 and 50 Billions.

WASHINGTON—(AP)—Budget Director Harold D. Smith today called in ranking army and navy officers to prepare the war budget, and the supply priorities and allocations board demanded a "victory program" which probably will double the nation's armament production.

Smith made no estimate of the projected expenditure, but in other quarters estimates ranged from \$35,000,000,000 to \$50,000,000,000.

It seemed generally agreed that the budget for the first year of the new war will approximately double the peak spending of \$18,522,000,000 in the last year of the first World War.

Defense spending had reached \$1,500,000,000 a month on the eve of the Japanese attack. By means of a 24-hour production in vital munitions plants, the government hoped to boost this pace to \$2,000,000,000 a month before summer and to \$3,000,000,000 a month eventually.

The size of the budget being prepared—preparatory to submission to congress in about four weeks—will depend upon the prospects for this step, rather than upon any predetermined goal, officials explained.

Details of how money will be spent in the next fiscal year may be scarce in the war budget, for military reasons.

But the supply priorities and allocations board left no doubt that the effort would be all-out, the expense heavy.

Saying "We can talk no longer" in terms of mere defense, the board declared that "every activity of our national life and our civilian economy" must be marshalled in an all-the-way victory program.

ARMY REVEALS CASUALTY LIST

2 Ohioans, 6 Officers Among Men Killed During Attack By Japs on Hawaii.

WASHINGTON — The war department published the army's first official casualty list of the war today, making public the names of 37 army officers and men killed in action in the Japanese attack on Hawaii.

Six were commissioned officers, all of the air forces, and the others were army corps men.

The names were announced as a partial list of the casualties resulting from Sunday's bombardment of the Island of Oahu, Hawaii, by Japanese air units.

"The adjutant general of the army, in each case, notified the next of kin of the deep regret of the secretary of war at the death of this soldier in the defense of his country," the war department said.

The list included:

Second Lieutenant Robert H. Markley. Nearest relative: Arthur H. Markley, father, Mandan, Okla.

Second Lieutenant Jay E. Pletzsch, nearest relative: Otto Pletzsch, father, Amarillo, Tex.

First Lieutenant John S. Greene, nearest relative: Mrs. Ida H. Greene, wife, Colfax, Ia.

EMPIRE TO GIVE \$50,000 TO EMPLOYEES AS YULE PRESENT

Distribution of approximately \$50,000 among 1,355 employees of the Empire Sheet and Tin Plate company as a Christmas present was announced today by James M. Hill, Empire president. Added to the Nov. 30 payroll, the money will be distributed with pay checks employees receive Dec. 12.

Hill, speaking to plant workers last summer at a Delano lodge company picnic promised that either a Christmas vacation or a cash distribution would be effected by Dec. 25 and today made his announcement in line with this promise.

Beside the 1,355 employees who will receive the cash distribution, 25 former employees now in the military forces of the nation will be forwarded shares of the money based on the length of time they were employed by Empire before joining the service.

Length of company service will determine the proportion of the money each employee will receive, Hill said.

The award will be made to both plant and office employees. This distribution marks the first bonus of its kind since the formation of the present company.

EVA GUTHRIE, 68, DIES AT SHILOH

Rites for Life-Long Resident of County Set for Thursday.

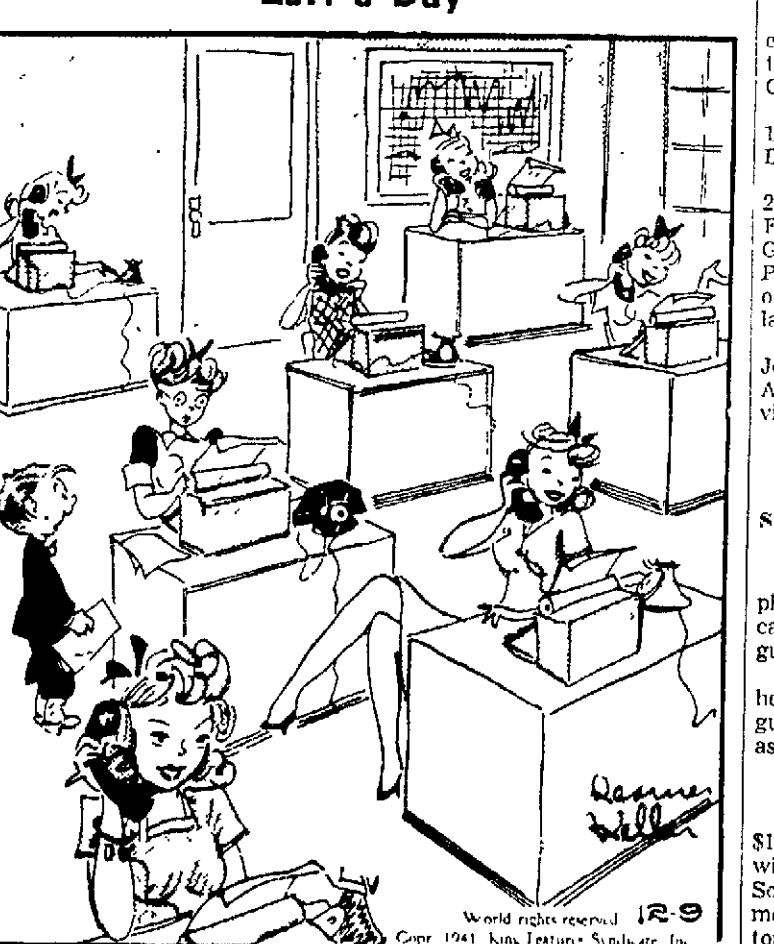

SHILOH — Miss Eva Leona Guthrie, 68, life-long resident of Shiloh and vicinity, died early today at the home of her brother, Taylor. She had been ill only a day.

Miss Guthrie was born on a farm two miles east of Shiloh, the daughter of Nathaniel and Almada Guthrie, early settlers in this vicinity.

Surviving are a sister, Mrs. Ella Houston of Shelby; three brothers, Taylor and Benton of Shiloh and Harvey of Toledo.

Funeral services will be conducted at 2 p. m. Thursday at the McQuate funeral home by Rev. Nevin Stover, pastor of the Shiloh Lutheran church. Burial will be in Shiloh cemetery.

Laff-a-Day

"What's the matter, Miss Grady? Haven't you a boy friend?"

Workers in the city garbage department are still wondering where to find city councilmen. Last night, the workers gathered in Clerk of Council William Beer's office to discuss the recent salary increases. Although a few council members were present, they gradually became fewer and fewer until at last the garbage workers were left alone. Council had retired to Mayor W. J. Locke's office for a secret meeting to discuss a civilian defense program. A policeman guarded the door.

It will be cookie-making time at Country Day school next Monday when the children get out their mixing bowls to begin preparations for the annual Christmas tea for their parents and friends the following Thursday. Every child from the kindergarten through the sixth grade will take a hand in making between 500 and 600 tiny cookies to be served to the guests. Miss Angela Shanoff, principal, and the other teachers will superintend the making and baking.

A group of boys last night received the thanks of scores of persons returning home from the James R. Young lecture at John Simpson junior high school after helping to warn motorists of the danger from ice on the Bowman street hill between Third and Fourth streets. The youths remained along the slippery section of street for a considerable time after the meeting was over to tell unsuspecting motorists, that the hill was dangerous and to warn them to keep to the side of the street to avoid collisions.

Day before the pile of Santa Claus letters, at the postoffice addressed to the kindly old saint at "North Pole" grows larger as Christmas eve approaches. Postmaster Herman E. Homburger reported today that the postoffice has now received about 50 letters, some printed in childish scrawl, and some written in neat script. Some of these have complete gift lists with detailed instructions as to how Santa may find his way around the house, and a few even promise a midnight snack with "coffee and sandwiches on the kitchen table for you" if Santa will take the trouble to stop.

MOB ACTS

Breaks Windows of Firms That Fail to Observe Blackout.

SEATTLE—(AP)—A mob of 3,000 roamed the downtown business district early today, heaving cans and bottles through windows of stores that failed to observe a blackout ordered throughout the Pacific northwest.

Police broke up the demonstrations after an hour and a half. Damage reached "many thousands of dollars," authorities estimated. Six persons, one a woman, were held on an open charge and four others were injured by flying glass. One was hospitalized.

Merchants were called to their stores but by the time they arrived the mob had moved on to another lighted store. A police count showed 14 firms suffered damage.

DEATH CLAIMS ALBERT EMERY

Funeral Services To Be Held Thursday At Loudonville.

LOUDONVILLE — Albert Emery, 61, resident of Tiverton Center, died at 9 p. m. Monday in City hospital, Coshocton.

Mr. Emery was born Feb. 2, 1880. He was a member of the Dunkard church at Danville.

Funeral services will be held at 2 p. m. Thursday at the Swank Funeral home in Loudonville. Rev. George Shrack, pastor of the Perryville Lutheran church, will officiate. Burial will be in Greenlawn cemetery.

Surviving are three brothers, John of Loudonville, Robert of Adams Mills, and Frank of Perryville.

SNOW AND ICE CAUSE DOZEN MISHAPS HERE

Two Women Escape Injury as Cars Upset; Seven Autos Meet In One Crash.

Light snow that fell most of yesterday afternoon spread a glare of ice over streets and highways in the Mansfield area, resulting in nearly a dozen traffic mishaps and slight injuries to two men last night.

The injured motorists were involved in a seven-car accident shortly after 6 p. m. yesterday at Lexington avenue and Stewart lane at the city limits.

Two women escaped injury in separate accidents on roads in the southern half of the county when their cars skidded and overturned. State highway patrolmen said a car driven by Nina Payton, Bellville, slipped into the ditch along State Route 13 four miles north of Bellville. She was not injured. Deputy sheriff's reported that Irene Farmer, Mansfield, R. D. 5, escaped unhurt when her car turned over after skidding off the Upper Lucas road south of Mansfield.

Injured in the seven-car pile-up on Lexington avenue were Louis Campana and Pat Gallina, both of Cleveland. They were riding in a car driven by Campana, police said. Both were treated for cuts and bruises.

Officers said automobiles driven by Campana, Paul Beighley, Jr., of Struthers, and Roger Peterson of Lucas collided on the slippery street, blocking traffic. Unable to stop on the ice, other cars operated by Fred Castor, Lexington; R. M. Moss, 60 Buckman avenue; Elizabeth Groat, Shaker Heights; and Fayette Young Wid of Milan slid into the three that collided first.

Rev. George M. Rinkowski, assistant pastor at St. Peter's Catholic church, and Ray E. Walton, 483 North Mulberry street, escaped injury last night when their cars sideswiped on slippery State Route 13 at the Mansfield airport. Their cars were damaged, state patrolmen said.

State and county highway departments and the Mansfield street department put workmen on the job early last night spreading salt and cinders on dangerous hills and curves.

Before the workmen reached all the danger spots, however, a number of trucks stalled on a hill on U. S. Route 30-S near Ontario and automobiles formed long lines along steep grades in Mansfield, unable to climb them over the ice glare. Numerous minor collisions and damaged fenders were reported during the night.

The county road department had 10 men and five trucks busy most of the night. Workers reported the ice was most troublesome in the Lucas area.

The ice formed after the wet snow was packed by traffic and lay on the highways and streets. It created the first major traffic problem of the season and gave the highway departments a chance to try out their winter equipment.

An inch of snow fell over the city area yesterday as the mercury hovered near freezing. A drop to 27 degrees last night froze the wet snow blanket. Although the mercury remained at 28 degrees until noon today, the average reading for the past 24 hours was 37.5 degrees, six above normal.

Light snow and colder weather was the weatherman's forecast for tonight and Wednesday. He said it will be much colder by tomorrow night.

Guam Attack Has Special Interest For Mansfielder

War developments in the Far East today held special interest for Ralph P. Smith, Mansfield manager of the Ohio State Life Insurance company who spent the three years from 1904 through 1906 in that part of the world as an assistant paymaster in the United States navy.

"I was with the first expedition of U. S. marines to land on Midway island in 1905 when the United States took over the island as a cable station," Smith recalled.

"The island is only two miles long and one mile wide, and has only one harbor. Guam is seven miles wide and 14 miles long, and has 10,000 natives. Its chief defense value today lies in its marine barracks, the cable station, and a landing field for clipper ships. At the time I was there, the island's only defense was an old Spanish fort high on a hill. Of course it is well fortified now, as it would prove a good base for attack by air against Honolulu, 1400 miles away, if it should fall in Japanese hands," Smith said.

CITY CHOSEN AS CENTER FOR RED CROSS NURSING

Mansfield Heads Eight-County Area For Enrolling Nurses In Disaster Service.

Mansfield became the center of an eight-county area for the Red Cross Nursing Service today with the appointment of Mrs. Harry Buchanan, 973 Park avenue west, as chairman of the Local Committee For Red Cross Nursing Service.

One of approximately 200 similar committees appointed throughout the country by the Red Cross Nursing Service of Washington, D. C., since last spring, the local committee will catalogue all Red Cross nurses available for disaster and emergency work in the eight-county area and also endeavor to enlist all nurses and potential graduates into the Red Cross Nursing service.

Mrs. Buchanan's appointment as chairman came from Miss Mary Beard of Washington, D. C., director of the national Red Cross Nursing Service, who also named Mrs. Ray Donaldson, 329 Ruth avenue, as secretary. These two officers will comprise the Local Committee until key nurses in each of the following counties are appointed: Ashland, Holmes, Knox, Morrow, Crawford, Marion, Wyandot and Richland.

Recommendation for the key positions will be made to Washington by Mrs. Buchanan and the appointment will rest with Miss Annabelle Petersen, assistant director of the Red Cross Nursing Service.

County representatives must all be Red Cross nurses with enough free time to enable them to do the necessary work. This work includes contacting of all Red Cross nurses in the county and interesting young nurses and potential graduates in becoming Red Cross nurses.

Mrs. Buchanan explained that signing for Red Cross nursing service does not mean compulsory foreign service. "The Red Cross nurse is always consulted as to service at home or abroad and foreign service is purely optional," Mrs. Buchanan said.

Selection of Mansfield as a Local Committee center is believed by Mrs. Buchanan to be due to the organization of Red Cross nurses that was effected here last spring with Miss Lucille Lindsey as acting chairman.

BUC Will Handle Applications For Merchant Marine

C. W. Handley, manager of the Mansfield branch of the Ohio state employment service, announced today that this office had been requested by the federal government, through the Ohio state employment service, to recruit men for apprentice seamen and radio operators for the U. S. merchant marine.

"Approximately 40,000 seamen and radio operators are needed to man the 1,200 vessels being built," Handley said.

He pointed out that radio operators and seamen can earn up to \$120 per month and maintenance after a basic training period, during which they receive from \$21 to \$36 per month for three to seven months.

Handley said that the request went into effect immediately and that it would be effective through Feb. 4, 1942.

EARHART HEADS UNION GROUP

Sid Earhart is the new president of the Westinghouse union, Local 711, of the United Electrical, Radio and Machine Workers of America (CIO) today following an election held in the union hall at 32 1/2 South Park street.

Other officers elected are George Christ, vice president; Carl Phillipson, second vice president; Orrin Hunter, recording secretary; Ernest Blaine, financial secretary; Ross Zediker, treasurer; Otis Williams, hall guide; and James Young, justice.

These officers will serve during 1942.

CHAPTER VIII CARL SETS OUT FOR THE TOURNAMENT

CARL grew into such a bright lad that people for miles around spoke of him. His mother taught him to sing all the songs her mother had taught her. His father taught him to play the violin.

Carl could ride, he could shoot, he could build a house and he could lay the keel of a boat. But he was the son of a farmer so sunrise after sunrise he went into the fields with his father. One day he said, as they walked together to the barns, "Sir, I should stay here on the land with you. But I have a great longing to see the cities."

"I can see that, lad," said the father. "But he who leaves his home carries with him a sorrow."

"I know that," said Carl. "But isn't it written that he who kills a dream walks with lead in his shoes?"

"Yes, so it is," said the father, "you must weigh for yourself which is the least evil."

"Then," said Carl, "I must go." "So it shall be. Have you set the time?"

"Not until I am 21," said Carl. "I am now only 16. But come the new moon I want to go to King Harald's City of Seven Castles. They will have a tournament, and I would like to try my hand against the best bowmen in the kingdom."

"You shall go," said his father.

SO THERE was great excitement. Carl's father killed the best white rooster to give Carl feathers for his new arrows. Carl tramped through the woods to find the strongest birch branches. He set out for the tournament full of excitement. He rode all day and slept in a farm house at night. He hung his clothes

carefully because his mother had made him a new suit of bright, blue woolen breeches and a white blouse trimmed with blue.

Before he blew out the candle he lifted his arrows lovingly from their quiver and looked at them. Then he went to bed.

As he slept six white eagles floated down the moonlight into the room. They picked up Carl's arrows and flew through the night as swiftly as the winds.

They flew until they reached Santa's toyshop and there they stood on a window sill and pecked on the window until Santa let them in. Santa's eyes were big and round with surprise. Then his glance fell on the vine in the window. The vine had flowered. Santa exclaimed, "Why, these eagles come from the peasant's son."

THE eagles spread their wings slowly and as they did each dropped one fine, white feather. "Oh, ho," said Santa. "So you want your feathers in these arrows. I'll fix them."

He set out for the castle and the tournament so happy that he sang all the way. But his heart jumped into his mouth when he saw the hundreds of people streaming through the castle gates. He looked sharply around to see if there were any more fit than he to win the tournament. He wasn't sure, but he stepped into the castle grounds with high hopes.

THEATERS

Air Farce.

Aviation thrills are merged with hilarity, romance and music in "Keep 'Em Flying," the Bud Abbott-Lou Costello musical farce, playing at the Ohio. The Six Hits, vocalizing sextet, make their debut in this production which revolves around Uncle Sam's drive to annually train 50,000 officers for the Army Air Corps. Carol Bruce, the Brooklyn thrush, who won success on Broadway in "Louisiana Purchase," carols through the production and Martha Raye is heard in several comedy numbers. William Gargan and Dick Foran are others in the film presenting Abbott and Costello as "grease monkeys" at the flying school.

Gay Comedy.

The rollicking comedy about a jealous and wealthy young husband who breaks into his wife's private medical office and disrupts her professional routine in general is set forth in "You Belong To Me," starring Henry Fonda and Barbara Stanwyck at the Madison. His gardener finally helps him rectify his mistakes through advancing the somewhat novel plan of "work" and the rich young man sets out to find a job. Edgar Buchanan, Roger Clark, Ruth Donnelly are cast. "Target For Tonight," an exciting film actually taken of Britain's R. A. F. in action, shares the bill. The picture shows the bombing of a German sector after the raid had been mapped out.

Flying Spectacle.

"Dive Bomber," an air thriller starring Errol Flynn and Fred

MacMurray, is the attraction at the Ritz. Selected short subjects include the news-feature, "The Battle of the Atlantic."

Technicolor Hit.

"Down Argentine Way," musical extravaganza in technicolor showing at the Park, features Don

Ameche, Betty Grable, Carmen Miranda and Charlotte Greenwood. "Broadway Limited," a Hal Roach comedy showing how a press agent publicizes a movie star, is the second feature. Marjorie Woodworth plays the star and the cast includes Patsy Kelly, Victor McLaglen and Zasu Pitts.

Chiller Continues.
Edgar Wallace's "The Terror" and "Mystery of Room 13," continues today at the Majestic. Wilfred Lawson and Bernard Lee is featured in the first picture and Gibb McLaughlin and Sara Seegar in the second.

Sport Podge

by REX HESS

Sports have suddenly become a very important topic of conversation. The three major wire services yesterday didn't carry enough sport news to fill a small corner, to say nothing of a complete sport page.

There's just one score the people are interested in today, and that's the score of the war out there in the far east.

Uncle Sam doesn't even put that Sunday score before this thing has gone very far?

I hear that up in Cleveland fans are no longer interested in who will do the catching for the Indians next summer, now that Rolfe Hemsley has been shipped away.

With Bob Feller probably wearing an army uniform before spring, it doesn't matter much who does the catching, or whether anyone does it. That seems to be the attitude now.

What a difference in views a few days' war news will bring.

Bup Rearick, Canton McKinley cage coach, says this winter's Bulldog court squad is the best he's had, and the Canton Repository reports that in early practice sessions the Bulldogs have looked like professionals.

"Offensively, the team should be a whirlwind," says the "Rep."

"Every regular, Dale Haverstock, Aaron Simms, Eddie Coleman, Randall Garver and Bill Cook, is a potential high scorer."

"What's the matter with the Tigers?" is the question already being asked after Mansfield high dropped its first two court tilts with Columbus South and Findlay last week-end.

There's nothing much wrong that a few more practice sessions can't cure. The boys haven't found their shooting eyes yet, and it looked to me like they were playing basketball on football legs. Their reactions just weren't tuned up to the faster tempo of the floor game.

Meanwhile the Tigers play one of the best schoolboy teams in the state next Friday night when they invade Newark.

Ohio Cage Slate Has 422 Tilts

Basketers To Battle Teams From 19 States.

By FRITZ HOWELL
COLUMBUS.—It's quite an extensive program—this 1941-42 basketball campaign mapped out for Ohio's college squads.

From the time the boys dribbled into action Nov. 25 until they hang up their uniforms March 7, they have 422 contests on the slate, the biggest basketball barrage in Buckeye history.

The 20-college Ohio conference has 121 scraps booked between league members, 153 are with foes from outside the state, and the other 148 are "just for fun" events between Buckeye teams.

Of the 153 contests with foreign foes, 80 are scheduled on Ohio floors, while Buckeye squads will stage invasions for 73.

The season's opponents come from "the rock-ribbed Atlantic coast to the sunny shores of California, and from Canada to the gulf." Canada, Mexico, and 19 states will furnish opponents for the Ohioans.

A roll call of the states sending teams against Buckeye squads reads like this: California, Kentucky, Kansas, Indiana, Michigan, Pennsylvania, Illinois, West Virginia, North Carolina, South Carolina, Oregon, Tennessee, New York, Minnesota, Iowa, Texas, Wisconsin, Nebraska, and New Hampshire, with Canada and Mexico tossed in for good measure.

Proving their willingness to meet "any opponent, any time and any place," five Ohio teams ignored the biggest bad luck omen in the book to schedule games on February's "Friday the 13th." The jinx day contests send Centre to Xavier, Mt. Union's state and the conference champions to Marietta, and Case against Baldwin Wallace.

Despite the overflowing schedule, the teams left the Dec. 24-25-26 Christmas holiday vacant, but Toledo booked Dartmouth for a New Year day contest, while De Sales, also of Toledo, has three Sunday games on its agenda. The De Sales squad meets Assumption of Canada Jan. 11, entertains Mexico City's Y. M. C. A. team Feb. 8, and Michigan's St. Marys Feb. 8 in the sabbath encounters.

Ohio State university's Bucks, after opening their season tomorrow night against the Great Lakes Naval Training Station and meeting Kentucky Saturday in the annual clinic game, entrain on the prize trip of the season.

Coach Harold G. Olsen's squad meets Creighton at Omaha, Neb., Dec. 22, and then goes on to California for a tilt with Stanford Dec. 27 and another with the U. of California Dec. 29.

While the state's biggest university sends its basketball team to the Far West for the holiday jaunt, Little Rio Grande, smallest of the cage contingent, has a five-day, five-game trip into the South scheduled. The Rio Grandes, starting Dec. 15, clash with Athens and Bluefield in West Virginia, and then hit High Point, Guilford and Appalachian in North Carolina on consecutive days.

Friendly House Opens Boxing Gym

Friendly House will open its boxing gym in the basement of the Phoenix hotel today under the same conditions that have existed for the past two years during the winter months.

Open to any amateur boxers in or around Mansfield, the gym will be under the direction of John Eichinger, the Friendly House trainer.

Boxing classes will be held Monday, Tuesday and Thursday from 6:30 to 9 p. m., and will be free of charge.

FRIENDLY HOUSE LOOP STARTS PLAY TOMORROW

Basketball play in the Intermediate White league at Friendly House will get under way tomorrow at 7:15 p. m., with two games slated.

First game will match the Goons against the Tigers while the second matches the Redbirds and the All Stars.

PILOTS INDIANS

INDIANAPOLIS.—(U.P.)—Leo (Gabby) Hartnett, veteran Big League catcher and former manager of the Chicago Cubs, today became manager of the Indianapolis Indians in the American Association for 1942. He was appointed by the club's new ownership yesterday.

NAME LINE COACH

CLEVELAND.—(U.P.)—Charles (Chili) Walsh, 36, former Notre Dame star and line coach for the professional Cardinals for the last two years, today succeeded Art Lewis as line coach of the Cleveland Rams pro football team. He signed a one-year contract.

SIGN HEMSLEY

CHICAGO.—(U.P.)—Rollie Hemsley, former Cleveland catcher, has signed a 1942 contract with the Cincinnati Reds, General Manager Warren C. Giles said today. The Indians sold Hemsley to the Reds last week.

CITY BUCKET LOOP PLAYS WEDNESDAY

The City "A" basketball league, which usually plays its games on Tuesday night, has scheduled this week's tilts for Wednesday night at 7 o'clock at the high school gym.

Tomorrow night's games bring together Yunker Sports and Ohio Public Service in the first tilt, Westinghouse and Blue Goons Solihuns in the second game at 8 o'clock, and City News and Athletic Supplies in the final attraction at 9 o'clock.

Change Tyger Cage Lineup

Winbigler Shifted To Forward on New Team.

Seeking to speed up the offense of his Tyger hoopers, Coach Vern Hoffman of the Mansfield high cage team today planned several changes in the lineup.

Most important lineup change will send Bob Winbigler from guard to a forward position where his size should be valuable in getting the follow shots which the Tygers have been missing.

Joe Romano, forward, would take over Windy's guard position, teaming with Jack Shiplet. Completing the new setup, Hoffman plans to use Forward Joe Altamonte as a sub for Paul Dietzel at center, and start young Dean Hahn, sophomore southpaw shot artist, at the other forward.

Going over the shot records for the first two games, Hoffman discovered that Ken Krupp, substitute forward, owned the highest percentage with 33 per cent on one bucket in three shots. Altamonte had three in 10, Romano three in 19, Dietzel four in 23, Winbigler five in 30, Shiplet three in 31, and Hahn none in one shot.

From the free line Dietzel has five points in 10 shots, Shiplet two in five, Romano one in four, Altamonte one in one, Hahn one in one, Snowden one in two and Winbigler, one in two.

The Tygers go to Newark Friday night to meet Coach Red Orr's Wildcats, who loom as one of the early favorites for this season's state title, and Saturday night they tangle with Elyria at senior high gym.

2 Ohio Cage Clubs Win

Akron, De Sales Win From Muskies and Hoosiers.

(By Associated Press)
The University of Akron and De Sales college of Toledo followed the victory trail across the basketball court today, each with the season's opening cage safety in the record book.

Akron's win last night over Muskingum was by a scanty two points—53 to 51—but the Zippers showed they had what they need by coming from behind in a fourth period drive and then pouring their slim lead at New Concord.

Akron's Lutsch made 20 points for high scoring honors, followed by Hofstetler of Muskingum with 14. Muskingum led 28 to 25 at half-time.

De Sales trampled Indiana Tech of Fort Wayne, Ind., at Toledo, paced by Knorek with 22 points. De Sales piled up a 36 to 15 margin by half-time.

Five games are on tonight's Buckeye State schedule. Bluffton goes to Kenyon, Rio Grande travels to Dayton, DeFiance plays at Hillsdale, Mich., Morehead takes on Xavier at Cincinnati, and Detroit Tech invades Toledo.

TOLEDO FANS PICK XAVIER BACK AS BEST

TOLEDO.—(U.P.)—Chet Mutryn, speedy junior halfback on the 1941 Xavier football team and leading Ohio college scorer the past season, has been chosen the outstanding Ohio college football player of the year.

He and his coach, Clem Crowe, will be guests of honor Thursday night at the Fifth Annual Toledo Downtown Coaches' banquet where Mutryn will receive a trophy.

WHIRLY CALLED HORSE OF THE YEAR IN POLL

NEW YORK.—(U.P.)—Whirlaway was recognized as horse-of-the-year today by the Turf and Sport Digest, barely nosing out Mrs. Al Sabath's Alsab. In its annual thoroughbred poll of 195 turf writers, the publication received 96 votes for Whirlaway and 90 for Alsab.

CORSICANA, Tex. (INS)

Patty Berg, the Minnappex golf ace, was treated today for a broken knee cap and facial cuts suffered when the automobile in which she was riding with Helen Dettweiler, Washington, golf star, collided with another car. Miss Dettweiler was unhurt.

GIRL SETS PINS

CLEVELAND.—Shortage of pin boys for local alloys forced one manager of a local bowling emporium to hire a girl pin-setter. Several other managers came to grips with the law when authorities found under-age boys working too late.

Safety Cabs Cop Top Spot

Defeat Weber's For Lead In Commercial Loop.

Tied for first place in the Commercial "C" kegling loop, the Safety Cabs and Weber Beers tangled in a league match at Colony alleys last night, and when all the shooting was over, the Cabs had grabbed the green light and roared into top position on a 2-1 win.

Scoring honors in the league went to other teams than the two top contestants, however. Johnny Villella of Buckeye Beers turned in high total on games of 178-220-190. Bud Windsor chalked up high game of 235, and Goebel Beers rolled high game of 980 and high total of 2695.

CITY CHOSEN AS CENTER FOR RED CROSS NURSING

Mansfield Heads Eight-County Area For Enrolling Nurses In Disaster Service.

Mansfield became the center of an eight-county area for the Red Cross Nursing Service today with the appointment of Mrs. Harry Buchan, 973 Park avenue west, as chairman of the Local Committee For Red Cross Nursing Service.

One of approximately 200 similar committees appointed throughout the country by the Red Cross Nursing Service of Washington, D. C., since last spring, the local committee will catalogue all Red Cross nurses available for disaster and emergency work in the eight-county area and also endeavor to enlist all nurses and potential graduates into the Red Cross Nursing service.

Mrs. Buchan's appointment as chairman came from Miss Mary Beard of Washington, D. C., director of the national Red Cross Nursing Service, who also named Mrs. Ray Donaldson, 329 Ruth avenue, as secretary. These two officers will comprise the Local Committee until key nurses in each of the following counties are appointed: Ashland, Holmes, Knox, Morrow, Crawford, Marion, Wyandot and Richland.

Recommendation for the key positions will be made to Washington by Mrs. Buchan and the appointment will rest with Miss Annabelle Petersen, assistant director of the Red Cross Nursing Service.

County representatives must all be Red Cross nurses with enough free time to enable them to do the necessary work. This work includes contacting of all Red Cross nurses in the county and interesting young nurses and potential graduates in becoming Red Cross nurses.

Mrs. Buchan explained that signing for Red Cross nursing service does not mean compulsory foreign service. "The Red Cross nurse is always consulted as to service at home or abroad and foreign service is purely optional," Mrs. Buchan said.

Selection of Mansfield as a Local Committee center is believed by Mrs. Buchan to be due to the organization of Red Cross nurses that was effected here last spring with Miss Lucille Lindsey as acting chairman.

C. W. Handley, manager of the Mansfield branch of the Ohio state employment service, announced today that this office had been requested by the federal government, through the Ohio state employment service, to recruit men for apprentice seamen and radio operators for the U. S. merchant marine.

"Approximately 40,000 seamen and radio operators are needed to man the 1,200 vessels being built," Handley said.

He pointed out that radio operators and seamen can earn up to \$120 per month and maintenance after a basic training period, during which they receive from \$21 to \$36 per month for three to seven months.

Handley said that the request was made in effect immediately and that it would be effective through Feb. 4, 1942.

Other officers elected are George Christ, vice president; Carl Phillipon, second vice president; Orin Hunter, recording secretary; Ernest Blaine, financial secretary; Ross Zediker, treasurer; Otis Williams, hall guide; and James Young, trustee.

These officers will serve during 1942.

Santa and the WHITE ROSE

by Sigrid Arne

THE STORY SO FAR: Carl is a peasant's son who is a magic child given his parents by Santa Claus who also gave Carl a white eagle's feather to aid him. All Rights Reserved AP Feature Service

CHAPTER VIII CARL SETS OUT FOR THE TOURNAMENT

CARL grew into such a bright lad that people for miles around spoke of him. His mother taught him to sing all the songs her mother had taught her. His father taught him to play the violin.

Carl could ride, he could shoot, he could build a house and he could lay the keel of a boat. But he was the son of a farmer so sunrise after sunrise he went into the fields with his father. One day he said, as they walked together to the barn, "Sire, I should stay here on the land with you. But I have a great longing to see the cities."

"I can see that, lad," said the father. "But he who leaves his home carries with him a sorrow."

"I know that," said Carl. "But isn't it written that he who kills a dream walks with lead in his shoes?"

"Yes, so it is," said the father, "you must weigh for yourself which is the least evil."

"Then," said Carl, "I must go." "So it shall be. Have you set the time?"

"Not until I am 21," said Carl. "I am now only 16. But come the new moon I want to go to King Harald's City of Seven Castles. They will have a tournament, and I would like to try my hand against the best bowmen in the kingdom."

"You shall go," said his father.

SO THERE was great excitement. Carl's father killed the best white rooster to give Carl feathers for his new arrows. Carl tramped through the woods to find the strongest birch branches.

He set out for the tournament full of excitement. He rode all day and slept in a farm house at night. He hung his clothes

carefully because his mother had made him a new suit of bright, blue woolen breeches and a white blouse trimmed with blue.

Before he blew out the candle he lifted his arrows lovingly from their quiver and looked at them. Then he went to bed.

As he slept six white eagles floated down the moonlight into the room. They picked up Carl's arrows and flew through the night as swiftly as the winds.

They flew until they reached Santa's toyshop and there they stood on a window sill and pecked on the window until Santa let them in. Santa's eyes were big and round with surprise. Then his glance fell on the vine in the window. The vine had flowered. Santa exclaimed, "Why, these eagles come from the peasant's son."

THE eagles spread their wings slowly and as they did each dropped one fine, white feather. "Oh, no," said Santa. "So you want your feathers in these arrows. I'll fix them."

He set out a bowl of fish for the eagles, and went to work putting their feathers in Carl's arrow. Then he opened the window and the eagles flew away with Carl's arrows, back to the house where the boy slept. They quietly put the arrows on the table next to Carl's bed and flew away.

Carl awoke with the first cock's crow, and quickly turned to look at his precious arrows. They were all there, but suddenly he exclaimed, "Why these are eagle's feathers! Now I'm almost sure to win."

He set out for the castle and the tournament so happy that he sang all the way. But his heart jumped into his mouth when he saw the hundreds of people streaming through the castle gates. He looked sharply around to see if there were any more fit than he to win the tournament. He wasn't sure, but he stepped into the castle grounds with high hopes.

TOMORROW: Carl at the tournament.

THEATERS

Air Farce.

Aviation thrills are merged with hilarity, romance and music in "Keep 'Em Flying," the Bud Abbott-Lou Costello musical farce, playing at the Ohio. The Six Hits, vocalizing sextet, make their debut in this production which revolves around Uncle Sam's drive to annually train 50,000 officers for the Army Air Corps. Carol Bruce, the Brooklyn thrush, who won success on Broadway in "Louisiana Purchase," carols through the production and Martha Raye is heard in several comedy numbers. William Gargan and Dick Foran are others in the film presenting Abbott and Costello as "grease monkeys" at the flying school.

Gay Comedy.

The rollicking comedy about a jealous and wealthy young husband who breaks into his wife's private medical office and disrupts her professional routine in general is set forth in "You Belong To Me," starring Henry Fonda and Barbara Stanwyck at the Madison. His gardener finally helps him rectify his mistakes through advancing the somewhat novel plan of "work" and the rich young man sets out to find a job. Edgar Buchanan, Roger Clark, Ruth Donnelly are cast. "Target For Tonight," an exciting film actually taken of Britain's R. A. F. in action, shares the bill. The picture shows the bombing of a German sector after the raid had been mapped out.

Flying Spectacle.

"Dive Bomber," an air thriller starring Errol Flynn and Fred

MacMurray, is the attraction at the Ritz. Selected short subjects include the news-feature, "The Battle of the Atlantic."

Technicolor Hit.

"Down Argentine Way," musical extravaganza in technicolor showing at the Park, features Don

Ameche, Betty Grable, Carmen Miranda and Charlotte Greenwood. "Broadway Limited," a Hal Roach comedy showing how a press agent publicizes a movie star, is the second feature. Marjorie Woodworth plays the star and the cast includes Patsy Kelly, Victor McLaglen and Zasu Pitts.

Chiller Continues.

Edgar Wallace's "The Terror" and "Mystery of Room 13," continues today at the Majestic. Wilfred Lawson and Bernard Lee is featured in the first picture and Gibb McLaughlin and Sara Seegar in the second.

Ohio Cage Slate Has 422 Tilts

Basketeers To Battle Teams From 19 States.

By FRITZ HOWELL
COLUMBUS, (U.P.)—It's quite an extensive program—this 1941-42 basketball campaign mapped out for Ohio's college squads.

From the time the boys dribbled into action Nov. 25 until they hang up their uniforms March 7, they have 422 contests on the slate, the biggest basketball barage in Buckeye history.

The 20-college Ohio conference has 121 scraps booked between league members, 153 are with foes from outside the state, and the other 148 are "just for fun" events between Buckeye teams.

Of the 153 contests with foreign foes, 80 are scheduled on Ohio floors, while Buckeye squads will stage invasions for 73.

The season's opponents come from "the rock-ribbed Atlantic coast to the sunny shores of California, and from Canada to the Gulf," Canada, Mexico, and 19 states will furnish opponents for the Ohioans.

A roll call of the states sending teams against Buckeye squads reads like this: California, Kentucky, Kansas, Indiana, Michigan, Pennsylvania, Illinois, West Virginia, North Carolina, South Carolina, Oregon, Tennessee, New York, Minnesota, Iowa, Texas, Wisconsin, Nebraska and New Hampshire, with Canada and Mexico tossed in for good measure.

Proving their willingness to meet "any opponent, any time and any place," five Ohio teams ignored the biggest bad luck omen in the book to schedule games on February's "Friday the 13th." The jinx day contests send Centre to Xavier, Mt. Union's state and the conference champions to Marietta, and Case against Baldwin Wallace.

Despite the overflowing schedule, the teams left the Dec. 24-25 Christmas holiday vacant, but Toledo booked Dartmouth for a New Year day contest, while De Sales, also of Toledo, has three Sunday games on its agenda. The De Sales squad meets Assumption of Canada Jan. 11, entertains Mexico City's Y. M. C. A. team Feb. 8, and Michigan's St. Marys Feb. 8 in the sabbath encounters.

Ohio State university's Bucks, after opening their season tomorrow night against the Great Lakes Naval Training Station and meeting Kentucky Saturday in the annual clinic game, entrain on the prize trip of the season.

Coach Harold G. Olsen's squad meets Creighton at Omaha, Neb., Dec. 22, and then goes on to California for a tilt with Stanford Dec. 27 and another with the U. of California Dec. 29.

While the state's biggest university sends its basketballers to the Far West for the holiday jaunt, little Rio Grande, smallest of the cage contingent, has a five-day, five-game trip into the South scheduled. The Rio Grandes, starting Dec. 15, clash with Athens and Bluefield in West Virginia, and then hit High Point, Guilford and Appalachian in North Carolina on consecutive days.

Friendly House Opens Boxing Gym

Friendly House will open its boxing gym in the basement of the Phoenix hotel today under the same conditions that have existed for the past two years during the winter months.

Open to any amateur boxers in or around Mansfield, the gym will be under the direction of John Elchinger, the Friendly House trainer.

Boxing classes will be held Monday, Tuesday and Thursday from 6:30 to 9 p. m., and will be free of charge.

FRIENDLY HOUSE LOOP STARTS PLAY TOMORROW

Basketball play in the Intermediate White league at Friendly House will get under way tomorrow at 7:15 p. m., with two games slated.

First game will match the Goons against the Tigers while the second matches the Redbirds and the All Stars.

PILOTS INDIANS

INDIANAPOLIS—(U.P.)—Leo (Gabby) Hartnett, veteran Big League catcher and former manager of the Chicago Cubs, today became manager of the Indianapolis Indians in the American Association for 1942. He was appointed by the club's new ownership yesterday.

NAME LINE COACH

CLEVELAND—(INS)—Charles (Chili) Walsh, 36, former Notre Dame star and line coach for the professional Cardinals for the last two years, today succeeded Art Lewis as line coach of the Cleveland Rams pro football team. He signed a one-year contract.

SIGN HEMSLEY

CHICAGO—(U.P.)—Rolie Hemsley, former Cleveland catcher, has signed a 1942 contract with the Cincinnati Reds, General Manager Warren C. Giles said today. The Indians sold Hemsley to the Reds last week.

CITY BUCKET LOOP PLAYS WEDNESDAY

The City "A" basketball league, which usually plays its games on Tuesday night, has scheduled this week's tilts for Wednesday night at 7 o'clock at the high school gym.

Tomorrow night's games bring together Tunkers Sports and Ohio Public Service in the first tilt, Westinghouse and Blue Goose Scholastic in the second game at 8 o'clock, and City News and Athletic Supplies in the final attraction at 9 o'clock.

Change Tyger Cage Lineup

Winbigger Shifted To Forward on New Team.

Seeking to speed up the offense of his Tyger hoopers, Coach Vern Hoffman of the Mansfield high cage team today planned several changes in the lineup.

Most important lineup change will send Bob Winbigger from guard to a forward position where his size should be valuable in getting the follow shots missing.

Joe Romano, forward, would take over Windy's guard position, teaming with Jack Shiplet. Completing the new setup, Hoffman plans to use Forward Joe Altamonte as a sub for Paul Dietzel at center, and start young Dean Hahn, sophomore southpaw shot artist, at the other forward.

Going over the shot records for the first two games, Hoffman discovered that Ken Krupp, substitute forward, owned the highest percentage with 33 per cent on one bucket in three shots. Altamonte had three in 10, Romano three in 19, Dietzel four in 23, Winbigger five in 30, Shiplet three in 31, and Hahn none in one shot.

From the free line Dietzel has five points in 10 shots, Shiplet two in five, Romano one in four, Altamonte one in one, Hahn one in one, Snowden one in two and Winbigger, one in two.

The Tygers go to Newark Friday night to meet Coach Red Orr's Wildcats, who loom as one of the early favorites for this season's state title, and Saturday night they tangle with Elkhira at senior high gym.

2 Ohio Cage Clubs Win

Akron, De Sales Win From Muskies and Hoosiers.

(By Associated Press)
The University of Akron and De Sales college of Toledo followed the victory trail across the basketball court today, each with the season's opening game safely in the record book.

Akron's win last night over Muskingum was by a scanty two points—53 to 51—but the Zippers showed they had what they needed by coming from behind in a fourth period drive and then protecting their slim lead at New Concord.

Akron's Lutsch made 20 points for high scoring honors, followed by Holschlag of Muskingum with 14. Muskingum led 28 to 25 at half-time.

De Sales trampled Indiana Tech of Fort Wayne, Ind., at Toledo, paced by Knorex with 22 points. De Sales piled up a 36 to 15 margin by half-time.

Five games are on tonight's Buckeye State schedule.

Bluffton goes to Kenyon, Rio Grande travels to Dayton, De Pance plays at Hillsdale, Mich., Morehead takes on Xavier at Cincinnati, and Detroit Tech invades Toledo.

TOLEDO FANS PICK XAVIER BACK AS BEST

TOLEDO—(U.P.)—Chet Mutryn, speedy junior halfback on the 1941 Xavier football team and leading Ohio college scorer the past season, has been chosen the outstanding Ohio college football player of the year.

He and his coach, Clem Crowe, will be guests of honor Thursday night at the Fifth Annual Toledo Downtown Coaches' banquet where Mutryn will receive a trophy.

WHIRLY CALLED HORSE OF THE YEAR IN POLL

NEW YORK—(U.P.)—Whirlaway was recognized as horse-of-the-year today by the Turf and Sport Digest, barely nosing out Mrs. A. Sabath's Alsab.

In its annual thoroughbred poll of 195 turf writers, the publication received 96 votes for Whirlaway and 90 for Alsab.

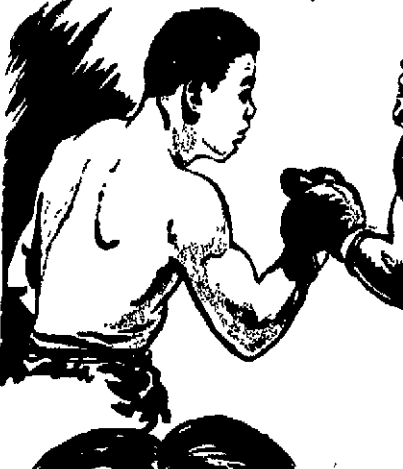

CORSINCANA, Tex. (INS)—

Patty Berg, the Minneapolis golf ace, was treated today for a broken knee cap and facial cuts suffered when the automobile in which she was riding with Helen Detweiler, Washington, golf star, collided with another car. Miss Detweiler was unhurt.

GIRL SETS PINS

CLEVELAND—Shortage of pin boys for local alleys forced one manager of a local bowling emporium to hire a girl pin-setter. Several other managers came to grips with the law when authorities found under-age boys working too late.

Tied for first place in the Commercial "C" league loop, the Safety Cabs and Weber Beers tangled in a league match at Colony alleys last night, and when all the shooting was over, the Cabs had grabbed the green light and roared into top position on a 2-1 win.

Scoring honors in the league went to other teams than the two top contestants, however. Johnny Villola of Buckeye Beers turned in high total on games of 178-220-190, Bud Windsor chalked up high game of 235, and Goebel Beers rolled high game of 980 and high total of 2695.

Buddy Baer reached town today to begin training for his go with Joe Louis. Buddy claimed he was too light for Louis last time, when he scaled only 237, and he'll weigh about 245 on January 9. . . . Latest report on Jimmy Fox is that he may stick on the Red Sox payroll another year. . . . Fellow named Ed Buckhouse has been elected president of the Norfolk (Va.) Duke alumni. Wonder if he's the one the Duke Indians are built like? . . . Minneapolis scribes expect Van Mungo to do all right with the Millers because Mike Kelley has a way of inspiring guys who leave the big show in the doghouse and take the dog-house with him.

HEADLINE HEADLINERS

When the Green Bay Packers walloped the Washington Redskins, sports Ed. Dick Davis of the Appleton (Wis) Post-Press, penned this line: "Hutson, Isbott take a laugh." The Norfolk Ledger-Dispatch put this one on a bowling item: "Luncheon Lassies Fattening Margin."

SCANLAN APPOINTED HOLY CROSS COACH

PHILADELPHIA—(U.P.)—Anthony J. (Ank) Scanlan, one of the outstanding scholastic football coaches in the east, announced today that he had been appointed head coach at Holy Cross college.

Scanlan, 39, and a native of Hazleton, has been coach at St. Joseph's high school here for 14 years. He succeeds Joe Sheetzski, Crusader coach for three years.

No Baseball Moves Made

Feller Will Enlist, But Trades Slowed By War.

By DAVE HOFF
CHICAGO—(U.P.)—The big men of baseball, who have a tough time at any normal major league gathering finding time to discuss trades, have been snarled up in the Pacific developments the last two days that they haven't been able to produce any noteworthy moves.

But not so Mr. Robert Feller of the Cleveland Indians, who probably has more reason to be concerned about the war than any of the executives. He's 1-A draft material, but rather than submit to the formal machinery, Bobby is enlisting, and he's made up his mind when, where and how.

Just to provide one element of suspense at the baseball meeting, he said he'd announce his decision tonight—by which time any of the 16 major league club owners, managers or other official holdings may be ready to confer with some other kind of press release.

One move that won't be announced, however, is the reassignment of Leo (Gabby) Hartnett with the New York Giants, who released the former Cub catcher and manager last fall and then became involved in rumors which said they might invite him back. Gabby already has a place for next summer: His appointment as manager of the Indianapolis club of the American Association was announced yesterday.

What else? Well, the boys in the lobby have traded Johnny Mize for Doph Camilli again, but the head men of the St. Louis Cardinals and Brooklyn Dodgers haven't seen things that way yet, and the deal still is strictly a rumor proposition.

The chieftains were given an opportunity for a formal gathering today, when the National league was scheduled to hold its first session. A joint session with the American league and Commissioner K. M. Landis is due Thursday. Fodder for discussion was the new projected major-minor league agreement on farm club players and the matter of patriotism, the latter a vastly preferred subject on all sides.

Rafferty Sets Gasco Alley Pace

IRON MAN

NEW YORK—Paul Governal, Columbia university's passing star this season, really played an iron man role on the football squad. Governal, who may be an All-American in 1942, played 447 minutes out of a possible 480.

Sports Hang Out 'Business As Usual' Signs In Survey

By JACK GUENTHER.
NEW YORK—(U.P.)—It will be business as usual in sports during the war—so long as the government agrees.

That was the unanimous reaction obtained by the United Press today in a nationwide survey of leaders in all sporting circles, although a certain amount of curtailment is regarded as inevitable, officials and promoters to a man are prepared to carry on for the duration.

While making it plain that all their actions hinge on government approval, sponsors of the impending bowl football games, boxing matches and race meetings said that their events will be held as scheduled. Baseball and professional football men, who have concluded their 1941 seasons, said that adjustments will be made for 1942 but that they remained confident that America, like England and Russia, would retain sports—war or not.

Boxing—Mike Jacob, the nation's leading promoter, will retain his present heavy schedule of bouts as long as the fighters remain available.

Legion Takes Grip On First

Increases Lead Over Savings Bank Quintet.

American Legion tightened its hold on first place in the Club bowling league at Colony alleys last night with a 2-1 victory over Commercial Managers, while the second-place Mansfield Savings Bank was being blanked by Matthews Clothes.

Art Hilborn led the league's scoring parade with a 654 total on 213-226-215 for the only 600 series of the evening.

Hazlett rolled high game of 236 and Jim Orr had 234.

CAN'T KEEP GRANDMA IN HER CHAIR

She's as Lively as a Youngster—
Now her Backache is better

Many suffer relief nagging backache quickly, once they discover that the real cause of their trouble may be tired kidneys. The kidneys are Nature's chief way of taking the excess acids and waste out of the blood. They help most people pass about 3 pints a day.

When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pain, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scant passages with stinging and burning sometimes shows there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's. You need successfully by millions for over 40 years. They give happy relief and will help the 15 million of kidney troubles flush out poisonous waste from your blood. Get Doan's Pills.

The busiest thoroughfare in town

Lined with bright, exciting windows freshly stocked with today's news, the newspaper is the busiest thoroughfare in town... busier today than ever before.

In some windows you find news of the home town, the nation, and the rest of the world. In others you find entertainment, advice, interpretation. In others you find news of the goods and services offered by manufacturers and retailers.

Every day in the week, every week in the year, you and your family travel this busy street, looking for things that interest you... and finding them in both the news and advertising windows.

Practically everybody in every community walks along this thoroughfare of news and advertising every day... simply because the newspaper is indispensable to everybody everywhere. That's why the 37,000,000 families in the United States and Canada buy, and read, over 43,300,000 newspapers every weekday... over 33,000,000 newspapers every Sunday.

And because everybody is so intensely interested in the contents of the newspaper, it's easy to understand why advertisers, national and local, find newspaper space the most effective medium with which to tell their story and sell their goods.

NEED \$100? HERE'S WHAT TO DO

Tell us how much you need, \$20 to \$500; how much you can repay monthly; and answer a few simple questions.

Loans made three ways: (1) on signature; (2) on car; (3) on furniture. No endorses. Friends or relatives are not told. Fair treatment in case of sickness or unemployment. Payments include charges of 2% monthly on balance of \$100 or less and 1% monthly on any remainder—the same rate to everyone. Nothing else to pay. To apply—phone, write or visit office. Money ready next day—or sooner if necessary.

5 BAD WOLVES

Alaskan on Cranberry Hunt Winds Up With Several Wolf Pelts.

KETCHIKAN, Alaska.—(AP)—Some bad little wolves, five of them, had a swell time fishing. On a cranberry-picking trip with his wife, Willis Jackson came upon the playful puppies, pulling salmon from the rifles of a nearby shallow creek. Both sides of the creek were littered with the fish, killed on their way to spawning grounds.

P. S. Jackson took some wolf pelts home.

TRADERS FEEL WAR SELLING BIT OVERDONE

Downward Stock Trend Comes To Halt After First Uneasy Reaction.

(By Associated Press)

NEW YORK—The downturn in securities markets was stemmed today as Wall Street generally came to the conclusion Monday's selling on the U. S.-Japanese war clash might have been overdone.

Modest early improvement was posted for Eastman Kodak, Bethlehem Steel, Republic Steel, General Motors and U. S. Rubber.

Inclined to lag were American Telephone, Western Union, Sears Roebuck, Kennecott, Chrysler and General Electric.

There was much guessing in broadmarkets as to what effect America's war shift would have on business generally and especially Christmas shopping. Most thought spending would proceed without much interruption and the department of commerce forecast yesterday demand would bring employment to some 446,000 extra workers in retail stores.
